Commodore's Report . . .

Holiday Message
from Commodore Leigh and Commodor~able Leash

This past year has been challenging for many of us, some battling health issues and others learning to live with the loss of loved ones, all of us, going through some amount of change. I've heard it said, many times this year, forget 2023 and bring on 2024 in hopes of something better.

But before we write off 2023, lets reflect on how we've stuck together and lived life this past year. For me, this club, its members, all of you, have been my support system, my teachers, and for both Leash and I our friends, and more and more every year, our family. Together, over the past 85 years and counting, we've built a community that is welcoming of new members, continuously working hard to maintain and improve our little slice of heaven on the water and know how to have a hell of a good time!

Wishing you all the best holiday season, Merry Christmas and we hope, no wait, we know that the New Year will be a great one, filled with new challenges, changes, both big and small and most importantly surrounded by your DYC Friends and Family.

Best Wishes, *Leigh & Leash*

Vice-Commodore's Report . . .

By Patti-jo Chambers

vice.comm@dalhousieyachtclub.com

Christmas is just around the corner! It is such a busy time of the year for family and friends, while we prepare for the season and close out the year. We each have special songs, days, traditions, dinners, and gatherings that mean so much to us. Great memories are shared of better days, when we reflect on Christmas' past, when our families were younger and bigger in number, and we ponder what the new year will bring.

Thank you members, for helping out when needed, for supporting one another and for your laughter that is shared when we are together.

Wishing you all good health, happiness, much laughter and good fortune, in the coming days along with warm wonderful memories with your loved ones, that will last a life time!

Volunteers of the Year

Francis "Eileen" FLEMING (nee Marshall)

Passed away peacefully at Linhaven Long-term Care home on December 14th in her 80th year after a lengthy decline from Alzheimer's disease. Devoted wife to Rick Fleming for 55 years. Proud mother of Brian (Teresa) Fleming (St. Catharines) and Christine (Lauren) MacNeil (Edmonton). Loving Gram to 4 wonderful grandsons, Jamie, Cameron, Ewan and Finn.

Daughter of the late Joe and Eunice Marshall of Listowel, Eileen is survived by her sister Diana Turney of Listowel and many loving nieces and nephews.

Eileen was born in Listowel and from a young age dreamed of being a kindergarten teacher. After attending Stratford Teachers College she started her career in Scarborough and when she married Rick in 1968, moved to a teaching position near the University of Waterloo where he was enrolled. After spending the 1970's as a devoted homemaker and mother, she returned to teaching in Oakville where she retired 20 years later. She never lost the joy of teaching and cherished her time with the children, leading school choirs or just clowning around with fellow teachers.

All who knew her appreciated the dedication Eileen brought to any task she took on, whether it was Chair of the Easter Seals Regatta at Dalhousie Yacht Club or President of the board of her condominium association.

Eileen enjoyed being with friends and family, and so entertaining at dinner parties was a natural outlet for her love of cooking. Taking early retirement provided the opportunity to travel and over the next 15 years she and Rick visited many of the natural and manmade wonders of our world.

All in all, Eileen's life was a "life well lived" and she will be missed by all who knew her.

The family would like to thank the staff at Linhaven for their thoughtful care of Eileen over the past 4 years. It is hard to overstate the comfort it has brought to the family during this period.

Cremation has taken place and a Celebration of Life is being planned for Sunday January 21, 2024 from 1 – 4 pm at Dalhousie Yacht Club, St. Catharines.

If desired, memorial donations to the Alzheimer Society of Niagara would be put to good use.

DYC offers its sincerest condolences to

The Fleming Family

You're thought of in sympathy and friendship.

Membership Count in all categories:

These numbers fluctuate every week throughout the year as people come and go.

As of November 15, 2023 Our Membership Count is:

Full Boater: 102

Social: 112

Associate Boater: 16

Dingy: 6

Life Boater is: 5

Life Non-Boater is: 24

Co-ownership is: 4

Honorary Members: 27

Employee: 1

Which totals: 297 We have all these different types of Memberships, as we want to be all inclusive; meaning that it is not a matter of "one size fits all". Everyone is invoiced to their particular needs. God bless Patti Fagan!

We had a great time at the Commodore's Ball. I would like to thank Nancy and Mike Pase for their donation of the beautiful gift basket and gift card for the Casino Royale evening. Chris and I are enjoying the Balzac's coffee, Bailey's chocolates and Bailey's in our coffee.

We anticipate that our Docks will be full to capacity this coming summer and we continue to approve Social Members year-round.

We are doing great, and I believe it's due to our friendly atmosphere here at DYC. Let us continue to work hard and have fun.

Happy Holidays everyone, see you in the New Year.

DYC is Seeking Sailing Instructors for 2024
Spring + Summer Learn to Sail Programs

Learn to Sail . . .

by Marion Markarian

sailing.school@dalhousieyachtclub.com

We are already planning for the 2024 Learn to Sail season and are on the hunt for a certified Head Instructor, an Instructor for the Youth Dinghy Sailing program and an instructor for the Adult Keelboat program. The keelboat program is flexible in terms of time commitment and can be tailor made to the individuals schedule. The job postings can be found on the DYC website at Instructor Opportunity Dalhousie Yacht Club.

If you know anyone who might be interested in any of these positions please have them contact me as soon as possible. We would like to hire the Head Instructor, as soon as possible, so we can lay out the programs for early spring registration.

In 2024 we want to spread the word about all the good things happening with LTS at DYC by offering high tech long sleeve T shirts for our LTS sailors and coaches, as well as all DYC boaters. For a minimum sponsorship of \$250 your company logo can be proudly displayed on the back of each shirt. If you would like to support the LTS by sponsoring please get in touch with me!

Happy holidays!

Marion

DYC FUN RACE SERIES . . .

By Chris Turner

racing@dalhousieyachtclub.com

DYC FUN SERIES RACES

The whole focus of the Sun Tuesday races is to promote sailing at DYC.

Periodically I've written in the Breeze outlining my philosophy on this Series, the results and progress of the Fun Races, so you have heard it all before.

Whether you are a new skipper or old skipper with new crew or just for the love of Sailing, I'm sure we can all gain more by often getting the boat off the dock. The Fun Race series is less serious way of learning about your boat at all points of sail, under all wind and seascape conditions.

It was a little disappointing, that we could only get 3-5 boats on the start line consistently in the 2023 season. We had 28 races scheduled of which about 20 were sailed in good conditions. In the final scoring we dropped 10 races

Without taking away from Didgeridoo's performance because the boat was sailed well, but, I believe Didge won the trophy because the boat raced more often than others. You don't have to even win a majority of the races. Consistency is the key.

In conclusion I would like to see more boats in the 2024 and I hope there is another name on this trophy next season.

If anyone has any questions related to the fun races. I am always available at ctainc3@gmail.com.

THANK YOU, SEAN!

On behalf of all racers this season, I would like to thank Sean for his tireless work in promoting racing at DYC and for his enthusiasm for the sport.

This season he has innovated new activities such as the Poker-run, Commodores Cup and re-emergence of Cornucopia which many have enjoyed.
