Vision Statement: The Dalhousie Yacht Club is a friendly, safe and affordable boating community dedicated, to learning, respect for all, and enjoyment in all aspects of the sport of boating.

A Piper, Dancers, Whiskey Tastings and the sweet sounds of our Master of Ceremonies complete with Scottish poetry and song.

Following the Rabbie Burns Night, Commodore Leigh Sent This Message to the Board and Asked It to be Shared in The Breeze To All of You

I would like to just say, WOW, what a night. Genevieve, excellent work organizing, planning and directing the Rabbie Burns Night. For those who missed it, I'm sorry, it was just so great and I think Jeff, Genevieve, Brian and Patti F. will all agree. It's not to be missed next year, if you can help it.

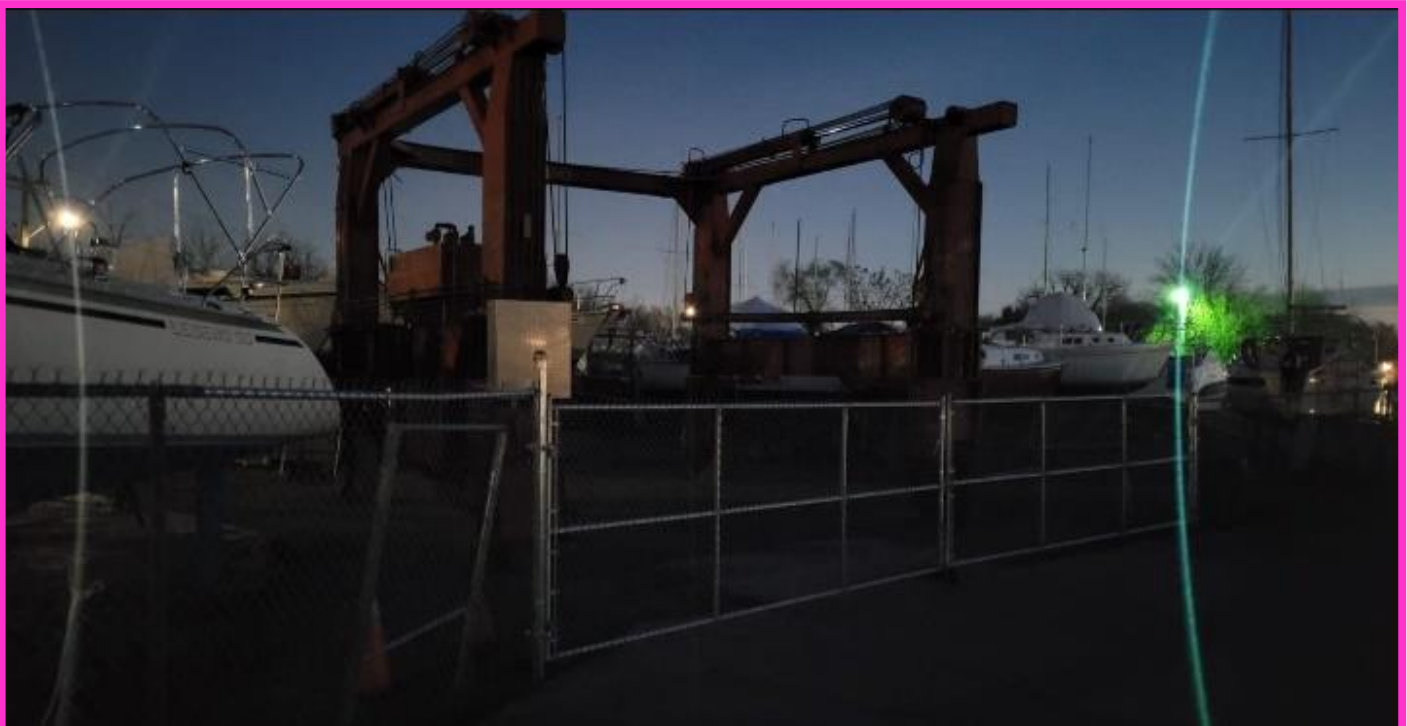

Unfortunately, James McLaughlin couldn't make it. James did orchestrate this event and provided Genevieve with the parts and pieces to pull it together. James was meant to be our MC and read a number of poems throughout the night with a complement of piper and dancers to round out the evening.

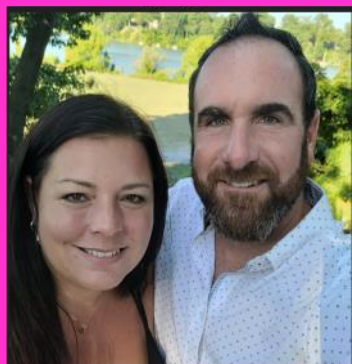

In James' absence, we were able to pull in a neighbour to Dalhousie Yacht Club, who had reached out to the office a few months prior letting us know that he would be interested in participating in the night's events. Genevieve reached out a few days prior to Ronnie O'Byrne, to see if he was still available. Ronnie in the absence of James, made the event a very entertaining one .

Another great thing happened, after opening up the registration to non - DYC members, we had a table of **NOTL YC** members join us. I spoke with them at the very end of the night and we agreed, that our clubs need to continue to share these types of events with each other, when it makes good sense.

For a club that use to sleep over the winter months, I think some of the greatest events can happen during January and February. I can't wait to see what's next.

Thanks again, Leigh

Commodore's Report . . .

by Leigh Brown

commodore@dalhousieyachtclub.com

There was a time, not long ago, where DYC would slow down and hibernate for a short while over the winter ... but not anymore. DYC's social scene is moving 'AHEAD FULL' with events and fun activities including the return of Wednesday Games Night with drop-in euchre and darts.

January's Racer's Banquet and Rabbie Burns night kicked off the calendar year, and now I can say, yes, I've had haggis, and it tasted AMAZING! Pipers, Dancers, Whiskey Tastings and the sweet sounds of our Master of Ceremonies complete with Scottish poetry and song. In the words of my Grandpa, "**Yer aff yer heid**" if you think I'm going to miss this event next year.

February has got me looking forward to hearing LMT at our Valentine's Day dinner and if you like to ROCK as much as Leah and I, you should join us for DYC Curling event hosted by our very own Emily and Ed Fox.

Now on to some business. Yes, this Board know how to play hard, but they work even harder.

New Payment Schedule - In alignment with the new payment schedule shared at December's Information Night, we've collected DOCK DEPOSITS for Full Boating Members and will be assigning docks early February. (If you haven't paid your deposit, you will not be an assignment.) This allows us to know what space we have for new boating members waiting to join.

C Yard Gate and Fence is complete.

Yes, finally, we know, it has taken far too long to get this completed and that there are other areas of fencing still in need of repair. More to come.

West Side Washroom (WSW)

Delays, delays, delays, but we will never give up. We are now scheduled to break ground th first week of March and can expect to have it ready for our members to outfit the first week of April.

Our new lease with the city has been delayed.

Some final negotiations between the Federal Government to the Municipal Government Something to do with the aids of navigation changes being made at the end of the piers.

Aids to Navigation

You may recall, a one of our Virtual Information Nights, information was provided by one of our DYC members to support an initiative to work with DFO to add an Aids to Navigation to the end of our west side pier. You may have participated in a survey that helped to build a case and now, I am happy to report that we have received word that the following changes will be made. Here's the letter I received in January regarding the changes we can look forward to.

Talk soon, *Leigh and Leah Brown*

Aids to Navigation

Good afternoon, Leigh,

I would like to inform you that the recommendations for the AtoN Level of Service Review for Port Dalhousie have been approved and we are moving onto the implementation phase. We will be making the following changes to the aids to navigation at the entrance to the main harbour:

LL 539, Port Dalhousie (lighthouse on east pier):

Light colour will be changed to green.

Flash character will remain Iso 4s.

Intensity will be increased from 189 cd to 300 cd.

LL 7000.016, Pt. Dalhousie Starboard Day beacon (west pier):

This will be changed from a day beacon to a starboard hand minor lighted aid.

Light colour red.

Flash character (F1)4s

Following the implementation of the changes I would like your and other DYC members feedback on their effectiveness.

I will keep you posted on timelines for the changes to be implemented.

Should there be any questions from yourself or members of DYC please don't hesitate to ask.

Regards,

Design and Review Specialist
Aids to Navigation
Canadian Coast Guard / Central Region

Docks & Digital Report . . .

by Thom Hounsell

docks@dalhousieyachtclub.com

Dock Renewals! Thanks to everyone who got their dock renewal agreement and deposits in. I'm writing this on Jan 26th and about 75% of our members have completed the process. If you haven't done it yet, please get your \$500 dock deposit sent into deposits@dalhousieyachtclub.com and look for an email from admin@mydyc.ca that includes a link to the renewal form where you can update your insurance and agree to the terms.

I know the deadline has moved up by a month this year as part of the rescheduling for all the payments, and believe me, doing it earlier is going to help greatly. It means that we can tell potential new members about dock availability sooner, which helps them choose DYC!

In early February, the slip assignment committee will get together and start assigning docks to new members and, when possible, accommodate member requests for slip transfers. It's a complicated business, but we will consider each request and do what we can.

I hope you're all finding a way to enjoy the winter - or perhaps a way to escape it. See you on euchre nite sometime soon!

Cheers, *Thom*

Welcome Aboard New DYC Members

Thanks for joining us!!

Social Member ~ David Andrew

Full Boating Members ~ Ed + Judy Erl

The storage room in the Clubhouse is going to be cleared/cleaned and organized.

If anyone has something they don't want tossed,
please make arrangements to pick it up by Feb 5th.

They can contact Genevieve at

genevieve.hunt@dalhousieyachtclub.com

or

come during club opening hours contacting the restaurant prior. Thanks!

Vice-Commodore's Report . . .

By Patti-jo Chambers

vice.comm@dalhousieyachtclub.com

Wow! What a wonderful way to start off 2023 with a BANG at DYC! Rabbie Burns Night and Our DYC Racer's Banquet. As well, PHRF-LO contacted us the start of the year to congratulate and present awards at their AGM at the Toronto Boat Show, that included awards for the South Shore Sailing District. Awards honouring four of our DYC Racing Members, new sailors and experienced ones. Well done, Dog Days, Didgeridoo, Hip Hip and Pablo2!

Hard to believe January is behind us, and a little bit just over two months to go before we see happy smiling faces of more and more members appearing in DYC yards to prep their boats for launch late April/early May. Dock assignments will be sorted out the beginning of February with Thom, then Genevieve has planned some exciting social events for this month. Sandra, our Cruising Co-Ordinator has finalized our cruises for the upcoming season and planned a Cruising Info Night for the end of March. Sean, our DYC Racing Lead is working toward another fantastic racing season and Chris has provided a great update report from PHRF-LO. Many tasks ahead will need your expertise and time, keep an eye out for requests and offer a helping hand if you are available. Lastly if you are interested in helping research, sort out, and plan for new docks at DYC be sure to [drop me a line](#).

Day by day, we inch closer to launch!

Patti-jo

History Matters . . .

by Dan Sundy

history@dalhousieyachtclub.com

Symbols that identify inclusion in a group appear early in any organization. The fundamental identifier for DYC is our burgee. The elements of the triangular pennant with the letters DYC are copied onto our cap badges and crests.

No burgees were evident in the pictures of the club boats shown in the Standard's coverage of the beginnings of the club in 1937. But the accompanying, rather florid, text from the print article accompanying the pictures begins with

"The red and white burgee whips from the masthead as the breeze freshens, and a slim boat heels over and gathers way with the grace of a bird, it's big sails taking full advantage of the change in the air"

The presence of electronic instruments at the masthead has prompted the moving of a club burgee from the masthead onto the starboard spreader.

Email to me if you would like a copy of the Standard photos from 1937.

Dan

From the Office . . .

by Patti Fagan

office@dalhousieyachtclub.com

The office is travelling through the month of February . . . Although the "physical" office is closed for the month of February, emails and phone messages will be monitored and responded to.

Thank you Joyce for checking in on things. Also, once the Dock committee has reviewed dock renewals/assignments early February, invoices will be sent out for the balance of your Dock fees in March, for the 2023 season, to be paid before your launch date end of April, early May.

Patti

905 934 8325 ext 21

"We cannot control the wind . . . We can only adjust our sails."

Dining & Entertainment Director's Report . . .

By Genevieve Hunt

food@dalhousieyachtclub.com

We've been working our way through the dark days of Winter with some really bright and fun events at DYC and there's more to come. New to the list of upcoming events is a Southern Tapas Night with great music by Tin Roof! Mark the date - Sat. April 15th.

DYC held its first Robbie Burns Event on Jan. 21st. It was a huge success and feedback from attendees has been very positive! You won't want to miss next years event.

Wednesday night Game Nights continue and have been well attended with members enjoying a game or two of either euchre or darts. A good night to come out and meet your fellow members.

Please keep a look out for all upcoming event flyers for details on:

- Feb. 11 Valentines Day Dinner
- Feb. 25 Fireside Acoustic
- Feb. 26 DYC Ready to ROCK ~ Curling Bonspiel at St. Catharines Golf & Country Club (includes instruction & equipment and lunch back at the DYC)
- March 11 Niagara Name That Tune includes Pub Food Buffet
- March 17 St. Paddy's Day
- April 15 Southern Tapas

Stay warm!
Genevieve

DYC Cruising Update . . .

by Sandra Chave

cruising@dalhousieyachtclub.com

DYC's weekend cruising program is a fantastic way to meet your fellow members and get out on the water to visit reciprocal yacht clubs! Our cruises take place various weekends throughout the sailing season and vary in two to three-day journeys throughout Lake Ontario. Reciprocity with other yacht clubs means that DYC welcomes guests from other club and in exchange, our members enjoy the services and hospitality of clubs around the lake.

DYC's Club Cruises are scheduled by member-volunteers who organize a flotilla of DYC boats to journey to other yacht clubs for sailing, fun and frolic. For those new to boating or cruising, this is a great way to gain cruising experience by taking advantage of safety in numbers while you get your sea legs!

Along with the enjoyment of travelling by boat between clubs, a typical cruise schedule might include a group BBQ, dinner at a local restaurant, group potluck, or a painting competition.

2023 CRUISING SCHEDULE

March 30 DYC	Cruising Seminar
May 20/21/22	Island Yacht Club, First Cruise Celebration and Victoria Day
July 1/2/3	Royal Canadian Yacht Club (Toronto Island)
July 15/16	Queen City Yacht Club (Toronto Island)
July 22/23	Fifty Point Yacht Club -Cooking with Tri and Sandra
July 28/29/30	National Yacht Club – Blue Jays Game
August 5/6/7	Etobicoke Yacht Club

REGISTRATION

Both sail and power boats are able to join. Registration details will be coming soon and will follow in a separate email to members.

Please check your calendars and carefully consider the cruises you sign up for. This reduces the last-minute work involved in cancellations, multiple slip assignment changes, substitutions and many emails by dock masters and cruise directors at both DYC and our destination clubs.

For more information, please contact the Cruising Coordinator –
cruising@dalhousieyachtclub.com *Sandra*

2023 CRUISING SEMINAR & INFORMATION NIGHT

Thursday, March 30th, 2023

7 p.m.

Please mark your calendars for Thursday March 30th, 2023 at 7:00 pm at the clubhouse.

Our DYC Cruising Coordinator, Sandra, along with special guest Paul Fagan will be hosting a seminar on all you need to know about cruising on our reciprocal cruises this summer and cruising in general.

The focus will be on the clubs we have selected, but are always open to questions. We will discuss cruising basics, provisioning, travelling with children and/or pets, and docking procedures.

Membership + Communication . . .

by Claire Camden

membership@dalhousieyachtclub.com

Hello everyone,

I attended a PHRF-LO Awards meeting with Chris on Zoom on Saturday, January 21. Congratulations to our DYC racers on their awards.

Third place as New Racers goes to Dog Days.
Seasoned Racers
First place: Hip Hip
Second place: Didgeridoo
Third place: Pablo2
Well done racers!

Even at this time of the year, our Membership continues to grow; some boating and many as Social Members. We are working on getting an accurate (paying) Membership count, as this fluctuates week by week and day by day.

If you are interested in doing the Marine First Aid Course on February 12, you can register by logging into mydyc.ca, click on Events, go to February calendar and click on More Info to Register.

I am presently working with our Commodore, Leigh, and Secretary, Jim, on the wording for "Honorary Membership" in our Constitution. Special Thanks to our Vice Commodore, Patti-jo, for her patience and ongoing help for me to learn my new role and also to Jim White, Thom Hounsell and Leigh Brown for ongoing support.

Cheers, *Claire*

LTS Directors Report . . .

By Marion Markarian

sailing.school@dalhousieyachtclub.com

Registration for the summer programs 2023 is now up and running.

We are offering a 4 -hour weekend program in June on Saturdays and Sundays. During July and August, sailors of varying ages will be working on their CANSail levels while attending one or two week programs. Adults keelboat lessons are being offered 2 days as well, with sessions in June, July and August.

Please visit the DYC website for all the details and to register for these exciting programs!

We are pleased to announce our new Head Instructor for all the Learn to Sail programs. Fiona McKay comes to us from the South Port Sailing School in Tecumseh, Ontario, with a wealth of experience sailing and instructing. We welcome her knowledge and expertise in sailing and the CANSail curriculum, along with her lively enthusiasm to work with sailors of all ages.

As mentioned previously, we are still looking for one other instructor for the summer day programs in July and August. We are going to expand the search to those who may not yet be certified, but are interested in being an instructor in training as part of our teaching team. So please pass this information to anyone who may be interested.

Please ask them to direct any questions to myself at marion.markarian@dalhousieyachtclub.com

[Follow the link to view the full Instructor posting and apply](#)

Work has begun on the maintenance of our dinghy fleet, with a refurbishment of the club Kirbys to follow. The Learn to Sail building is next on the to-do list! If anyone has a foldable ping-pong table they are no longer using please consider donating it to Junior sailing! Any other games etc., in good condition, would also be a welcome addition to the clubhouse.

Please direct any questions to:
Marion Markarian: Director – Learn to Sail at
marion.markarian@dalhousieyachtclub.com

Looking forward to an exciting Learn to Sail summer!

Marion

DYC Racing . . .

We're half way through the off season and maybe not soon enough, but before you know it, covers will be coming off. This means it's time for me to get down to business.

Over the next 2 months I hope to have quite a bit completed from having the Race Committee organized, Sailing Instructions for all the races, to getting the celebration and hoopla activities planned and begun.

In the coming weeks I'll be looking for Race Committee, event planner, sponsors, and more racers. Please let me know if you can help out at all in any way. The fleet is a fun bunch and you'd be a great addition.

Regarding Race Committee, we're up to three new people, and the 2022 Race Committee has committed to help here and there. I'm happy to say we're getting there. Please let me know if you're the type to enjoy sitting on a boat for a few hours among friends.

We recently held the racing banquet to close out the 2022 season. The food was delicious and I'm fairly certain everyone had a great time, especially the trophy winners: Ellen Ann Fowler, Paul Haynes, Chris Turner, and Keith Moore.

I had a great second season racing here and I can't wait till the gun goes!

Take care, *Sean*

From Our DYC PHRF-LO Officer . . .

by Chris Turner

racing@dalhousieyachtclub.com

Highlights of PHRF-LO, AGM held on Jan 21, 2023

1. If you use the PHRF-LO handicap rating which is the intellectual property of PHRF-LO, you should expect to pay for it. Boat owners who race, are encouraged to pay the annual fee so that PHRF-LO can continue to research latest changes in technology and provide accurate ratings for your boat in the interest of fairness.

2. The annual fee for belonging to PHRF-LO by member Clubs is based the number of boats registered in the previous year and is due in February. The charge of \$46.00 is very reasonable when compared to membership into class associations and other handicapping authorities.

3. When sailing in one design fleets, PHRF certificates are not required. However, when a one design boat is sailing in a PHRF fleet, a valid certificate is necessary. A Class Association Fee, such as a Kirby 25, Shark or Laser 28, does not include a valid PHRF certificate. The PHRF certificate needs to be applied for separately.

4. Currently only open events are served by PHRF-LO. Boats who are registered with member clubs may race with their home club or any other member club using the same valid certificate.

5. Valid PHRF-LO certificates are issued annually to include any adjustments to the ratings brought about by rule changes or improved data.

6. Race data is constantly monitored by PHRF-LO based on reports submitted by Nov 15 each year by participating clubs. The Race Analysis is submitted for any boat, with a valid certificate, which participates in three or more Club sanctioned races in the season. Approved races constitute windward leeward courses in which three or more boats (per fleet) participate in steady winds greater than 3 knots.

Relevant current measurement data to establish the rating for any particular boat includes - measurement of all mains - measurement of the maximum size headsail - re-measurement of spinnakers to provide mid girth (MG), rather than maximum girth figures.

Minimum MG to be not less than 75% of foot. (2022) - confirmation of symmetrical with pole or asymmetrical spinnaker with a bow sprit - bloopers, streakers including Code 0 sails are prohibited. - confirmation of mode of propulsion - confirmation of the type of keel. - use of carbon fibre spars. (2022)

Future Projects include - refinement of point to point sailing ratings - study into how electric drives change the ratings - collection of new data based on keel changes. *Chris*

Fleet & Yard Chair Report . . .

by James Desjardins

fleet@dalhousieyachtclub.com
yard@dalhousieyachtclub.com

The days are getting longer so I am getting ready for the 2023 boating season! The Repair and Maintenance Committee will start meeting in February to prioritize and structure the work that would be nice to have done before the boats go in the water.

Always feel free to contact me at james.desjardins@dalhousieyachtclub.com

Some priorities:

Floating dock repairs: Existing floating docks currently sitting in B yard have several issues identified for repair. I hope to have a clear task list for this project in February, then we will recruit for volunteers from the membership to carry out the work. Have I mentioned how much I appreciate people who weld?

Mast crane review and possible refit proposal:

We want to review the state of the mast crane and then plan any desired repairs and propose potential upgrades. If you are interested or have experience with mast crane assessments don't hesitate to contact me!

Club Kirby reconditioning: With the comeback of the Learn to Sail program and enthusiasm for racing and dry-sailing from A yard, we are looking to assess and potentially recondition the two club Kirby 25s (Ali Cat and Under Cover). There is a proposal in development for a Sea Scout Leadership Project in which a high school student would contribute to the management and documentation of a Kirby reconditioning project. We have gathered a Committee of Kirby superstars to watch over the project but we will be looking for volunteers to carry out the work on the vessels later this spring.

Learn To Sail Building: Many of the tasks associated with restating the Learn to Sail program and other work projects involve the Learn To Sail building. We have started substantial work reorganizing the contents of that building and are now discussing the various uses that it could provide to the club. If you have ideas, or want to be involved in a group to actively discuss the possibilities, reach out to me. Also, if you happen to know someone with a ping-pong table that needs a new home I think that we have room for it!

James

Where Has Your DYC Gear Showed Up This Winter?

The Knotty Girls, from Chimo in Grenada, Marion at the helm, Chris + Heather's DYC shirts in Virgin Islands (sorry this was suppose to be posted last winter), and Chris, Heather (Autumn Wind), Melanie and Peter (Genie) in St. Martin.

From the Editor's Desk . . .
Thanks for sending in your pictures.
