Hello DYC Members, Family and Friends,

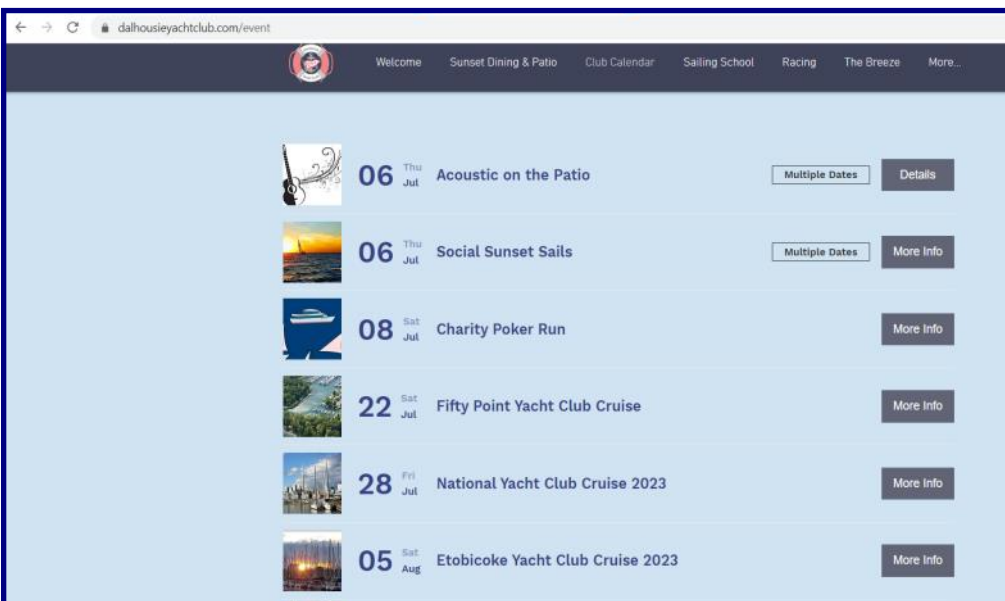

June has been a very busy month for so many of you and I am happy to announce the opening of the westside washrooms!

There are just too many of you to thank by name here in this article so instead, let's do what we do best, and that's throw a party! On July 8, 2023, we will have a grand opening of the westside washrooms, potluck style with games and music. Register to participate in a dingy poker run from 3 - 5, or drop in on a game of Corn Hole, Bocce Ball or Pickleball. This event is open to all DYC Members. Reach out to Genevieve Hunt, our entertainment director, if you would like to help coordinate.

Sail past was an absolute blast! Leah and I would like to thank everyone who participated in this fantastic day. From the Sea cadets on shore, to the 35 boats out on the lake, and all the dignitaries and distinguished guests, it was an honour to oversee this year's blessing of our fleet. Time to untie the lines and sail off to new adventures.

Don't forget to sign up for one of our [social sunset sails](#), one of the best ways to get out on the water and make new friends but be warned, sailing is addictive.

**Harbour Office Hours**  
Currently 7 days  
9 a.m. ~ 9 p.m.

**Remember:**  
Parking is always available on the east side of the channel.

The HO staff will happily shuttle you across, when they are available.

You can reach our HO by VHF 68

~ It's Done! It's Done! The Westside Washroom is Open for BUSINESS ~  
So much planning, designing, licensing, searching, gathering, scoping.

Then building, building, building!

Many thanks to In the Backyard and so many members for their hard work and dedication of time, energy, labour, good will and unrelenting efforts.

We appreciate and salute YOU! We hope to get a photo of all of you!

With the focus on Westside Washroom Project slowly coming to a close as we tidy up final touches, being the fencing and the building skirting, we can look forward to our next big challenge of new docks. Our researching, planning and considering for this major endeavour will begin this fall.

We are fortunate to have a new pickleball court in A Yard, north of the Clubhouse. Scott and Brenda have measured it out, painted it up and are willing to teach us how to play. All welcome! Watch for updates regarding times, learning how to play, the rules and more.

Looking forward to seeing you at the Royal Flush Party!

## Rear-Commodore's Report . . .

By Jeff Mackie

[rear.comm@dalhousieyachtclub.com](mailto:rear.comm@dalhousieyachtclub.com)

Dear Members,

Well, it's official, summer is here and DYC is in full swing. Thank You to all that helped with Sail Past this year. I'm so incredibly grateful that the weather cooperated and we were able to parade the Harbour. A special thank you to the Sea Cadets who I hope make it an annual tradition to help us kick off the boating season in style.

When I think back to when I joined DYC in 2013 with my limited knowledge of sailing (the jury is still out on if I have improved), as well as very little exposure to what a working yacht club is all about, it amazes me what can be accomplished when everyone puts their hands up and backs into getting things done. It absolutely has been a learning experience for me the last few years understanding the power of pulling together.

This year I look forward to seeing Cameron and our Harbour staff really show off their excellence and I'm thankful to the persevering minds of the past to push hard to replace our aging in ground fuel tanks with new above ground tanks. Those decisions were made at a time when DYC was not in a good place both financially and with declining membership. Having a reliable fuel delivery system (including some upgrades to our fuel hose reels this season), has allowed us to become a destination for fuel on the entirety of Lake Ontario. Much thanks must also go to our previous HO supervisors Dan and Diederik and to Cameron currently, for fostering the relationships with the large boat captains, as well as Dave Bellhouse for the many years of holding the HO together with limited staff, out dated infrastructure and limited fuel sales due to pier construction, high water and declining membership. 90% of the transactions that happen at the Harbour Office are for non-members.

The last 3 seasons have been spent modernizing our POS and inventory tracking systems, as well as our harbour management systems, increasing our staffing and focusing on consistent and reliable customer service with easy to communicate operating hours. I am incredibly proud of our staff. They have really risen to the challenge laid ahead of them and the comments we receive from members and visitors alike have been awesome. I hope everyone realizes how lucky we are to have such an amazing group.

The HO is in good hands with Cameron and I know that Jason Matsugu will be an incredible help to him continuing all of the hard work of the previous seasons.

We must now shift focus to other areas of our club and the biggest piece that we have right now is the state of our docks, "A" dock specifically. The Flag as well as Yard and Docks will be doing a wholesome review of the state of our current docks this summer. The plan is to have an idea of what we "think we want" by fall and an RFP put out to dock manufacturers in October with a request to them to tell us what we need. If all goes well, the intention is to start with A dock in spring 2024. Inevitably there will be many, many ideas of what we need and what we want. We need your input. Please contact myself, Leigh or PJ with your "hopes and dreams" as we will be compiling everyone's input into a workable plan.

I am looking forward to doing my first ever cruise (and with the family too!) this year to 50 Point and am grateful to Sandra Chave for picking up the reins from Val in organizing our club cruises this year. We owe a huge debt of gratitude to our cruise directors (past and present), as it is a ton of work organizing all the different clubs that want to visit us as well as wrangling our members to leave the docks and try somewhere new. It was difficult in the shadow of COVID, but brighter days are here so sign up and go exploring!

This is the second season LTS is back and the first year since COVID that the weekday camps are back. A huge thank you to Marion for all of her efforts bringing back this important piece to DYC and to Kiki Klassen who showed us a new way to think about how to teach youth off the beach. My son and daughter will be doing 3 weeks of camp this year after spending weekends with Kiki last season. I'm incredibly grateful to see this back and I challenge any of the keelboaters to take a Pico out and see the skill it takes to sail it well.

A big thank you to everyone who works in the back ground to help make this club work. Some of the jobs you can't see but there are many, many hands involved and we appreciate every one of you.

Cheers, *Jeff*

# LTS Directors Report . . .

By Marion Markarian

[sailing.school@dalhousieyachtclub.com](mailto:sailing.school@dalhousieyachtclub.com)

They say it takes a village to raise a child... and it takes a DYC to raise a sailor! The weekend program in June is complete and the full day programs start July 2. This could not have happened without the dedication of so many people. It starts with the support of all the Board, Leigh, Jeff and Patti-Jo, to get the idea up and running, Patti and Thom with registration and web-site, and Claire for memberships.

The fleet and the LTS building is taken care of through countless hours by James. Support by Cameron and the harbour office staff, like Aiden and Cole, with towing and safety coordination. Jason always available on lesson day to help out wherever he can. And last, but certainly not least, our LTS instructors and counselors – Fiona, Ella and Abbey.

Although we haven't got our adult program running yet, the team of James and "the Chris' are making sure we are compliant to every rule in the book! As James says – we are building a solid foundation for the future of our program. My apologies if I have forgotten anyone!

Just 8 spots left in all the summer, so if you know anyone is thinking about joining, give them a reminder.

Everything isn't always smooth, we are learning as we go, but we are all heading in the right direction. Many thanks to all for your time, your labours, and your vision. Exciting times!

Happy sailing,

*Marion*

Wondering what DYC members do on a reciprocal cruise?

Let me tell you what activities took place at Royal Canadian Yacht Club on Canada Day Weekend.

Eleven boats from DYC headed over to RCYC on Saturday July 1<sup>st</sup>, we arrived, and were unable to see fireworks due to the smog. On Sunday, we met up for the morning Nespresso party on Chi Chi Maru. Then most of us explored Toronto Island by hiking, biking or dinghy with a visit to Centreville (note nothing has changed in the last 50 years). Later that day we met up for the DYC party.

4:00 pm Met up to gather with fellow cruisers and assisted with dinner and of course had a few cocktails. We all participated in some ice breaking games which included Left, Right, Centre, and Giant Jenga. Donna (Someday) won the jackpot.

6:30 pm Dinner was served. BBQ Canadian Back bacon on a bun with Tri's special sauce, with many delicious sides contributed by our cruisers.

7:30 pm Nanaimo Bar Competition. Contestants could bring either bought or made Nanaimo Bars were judged and scored on the following criteria:

- |               |            |          |
|---------------|------------|----------|
| 1. Appearance | 2. Texture | 3. Taste |
|---------------|------------|----------|

Winners – Best Original Patti jo, Best Variation - Barb, Best Store - Bought Claire

8:00 pm Dessert was served, the Nanaimo Bars ~ and there were a lot! 8 submissions.

Thought you missed cruising on a DYC reciprocal cruise this summer. You have not missed the last boat yet . . . spaces are still available for the last 2 cruises of the season. Why is the cruising season so short, you ask? The Cruising Coordinator is off cruising to the 1000 Islands mid-August to mid-September.

### National Yacht Club July 28 – 30

Friday Night – Optional Spanish Night at NYC \$60 per person organized by NYC

Saturday – Optional Los Angeles Angels at Toronto Blue Jays 3:07 PM (each boat is responsible for getting their own tickets if you want to attend the game)

Sunday - Return to DYC

### Etobicoke Yacht Club August 5 – 7 (Toronto Caribbean Carnival Weekend)

Saturday Arrive – Dinner at Clubhouse

Sunday – Mexican Night (Tacos/Margaritas/Mexican Train)

Monday - Return to DYC

# DYC Club Cruise ~ Royal Canadian Yacht Club

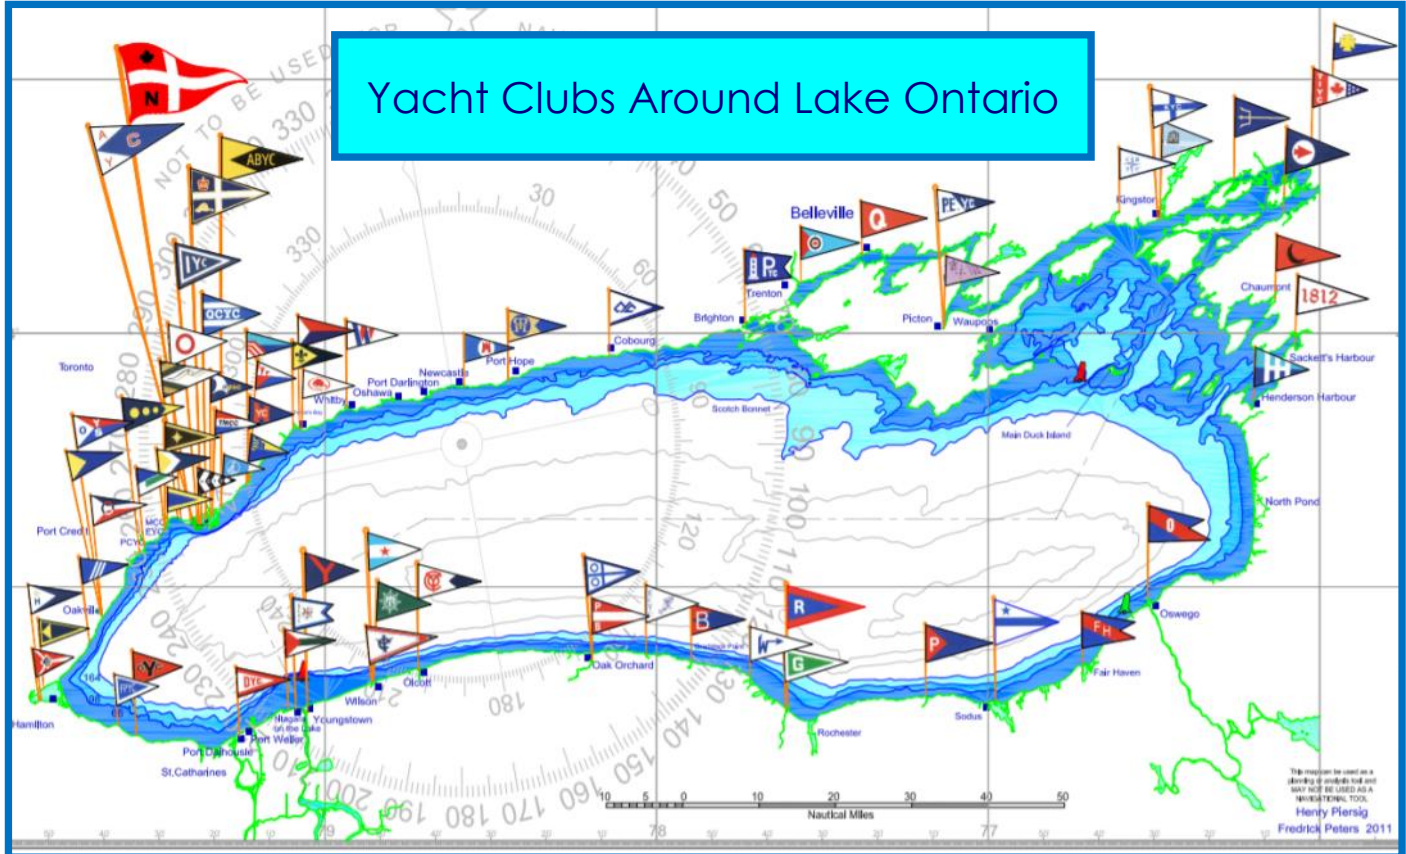

Exploring the Islands ~ Bike riding, paddle boarding, kayaking, Centreville, Breakfast at QCYC, DYC pot luck, Peameal Bacon on a bun, Naniamo Bar contest, then Left, Right, Center and Giant Jenga. So much to do, so little time. Thank you, Tri + Sandra, it was a great cruise!

As you plan your travels around the Lake this season, be sure to check out [LOCCA](#) (Lake Ontario Club Cruising Association). It has updates of club reciprocity around the lake. It includes 54 member clubs. Find out their reciprocal policy before heading out.

# History Matters . . .

[history@dalhousieyachtclub.com](mailto:history@dalhousieyachtclub.com)

Fire insurance map for Michigan Avenue. 1962

Sand piles are described to the north of the clubhouse. The newly arrived Jr. Sailor building is shown. Jr. Sailors began in 1959.

The access to Michigan Ave. was through the neighbourhood on the east side of the canal just after the bridge. Lighthouse Road with its access to Lakeport Road was only created in the early 1990s.

Dan

Hello Fellow DYC Potential Picklers,

We have been considering the option of putting in a pickleball court for over a year now. With limited paved options here at the club, the best solution was the paved area in Yard "A". We set out last year and looked at the area and determined a court is viable in this area given the fencing at the street and the pier. With limited traffic, safety is not an issue. Given the proximity to the restaurant spectators and players have beverage and meal options. The project has covered a small portion of A yard and will not hinder use of any other activities

The court will introduce members to the sport of pickleball and encourage play. The sport of pickleball has been growing exponentially over the past few years and has become a sport that is both entertaining to play and to watch. All ages can play, and play with each other. Scott and I will offer our time to coach anyone interested in playing. We are considering 2 times per week and offer more time when members are excited to play.

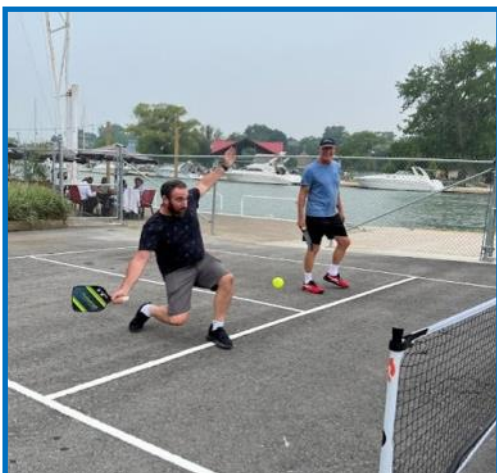

Our hours are flexible. We will set up a sign up, so that we can offer proper coaching. Once the members have learned the basics, the court will be available for practice at your leisure. We will supply our net and spare paddles to start the ball rolling, so to speak.

Pickleball is a sport that appeals to all ability levels and all age levels. It is social, physical, has cardio, and is easy to learn. This is why we are hearing more about pickleball here in our club and have seen enthusiasm growing since the mention of a possible court here at DYC.

We are also setting up a temporary court for West Side Washroom Grand Opening. You can learn some of the basic play, watch some games, grab a paddle and play. So come out and get your game on!

## DYC Racing . . .

By Sean Furniss

[racing@dalhousieyachtclub.com](mailto:racing@dalhousieyachtclub.com)

Hello DYC,

Wednesday racing has been steady, the weather has been great for racing and the fleets are competitive. The new start box system that Chris Turner introduced us to is working great and the RC is getting into a groove. Big thanks to Chris, The RC (Jason, Josh, Kevin, Lloyd and Patti-jo) and Dave Thomas for doing results.

Distance Racing has been either a good wind or no wind at all. We continue to see our boats on the weekend start line. If you're not a part of racing and want to have some fun, let me know and we'll get you set up.

The Commodore's Cup was a very lite wind affair that we will reschedule for some time in late July or September. Watch for a blast with updated information and Sailing Instructions.

July will bring a slightly changed Poker Run on July 8th. We're now going to do a Dinghy Poker Run in the harbor with a few bells and whistles. I'll have instructions out before the weekend. Dinghies will be a motorized, paddled or sailed, and we'll even let you walk/run/bike as well. We'll reveal the poker hands back at the new washrooms and celebrate. Hope to see you there.

With summer here now, I'm hoping to spend some more time on the boat. Keep an eye out and say hi. See you on the dock or on the lake.

Best, *Sean*
