Vision Statement: The Dalhousie Yacht Club is a friendly, safe and affordable boating community dedicated to learning, respect for all, and enjoyment in all aspects of the sport of boating.

Commodore's Report . . .

by Leigh Brown

commodore@dalhousieyachtclub.com

Welcome to the beginning of the 2023 DYC Boating season. It's great to see so many of you at Docks In and Boat Launch these past couple of weeks and we look forward to many more events throughout the year. I want to especially thank our Board of Directors and their committees, who helped coordinate, plan and organize all the activities for these two major work events.

The West Side Washroom (WSW for short) project is now seeing the fruits of all its planning over the winter months. Although we did experience some delays getting the approvals needed to begin, you can see how amazing these new structures will be.

Major planning is now underway for docks of the future, where we will be putting our requirements out for bid and looking forward to partnering with a dock builder who can help us replace our now tired docks and secure our future in Dalhousie harbour.

A few reminder to ensure you remove all your waste from winter storage including plastic shrink wraps, tarps, frames, and so on. All that should be left is your cradle, trailer or jacks on a skid, so that volunteers and our yards staff can move them with ease as we look to keep our yards clean and tidy.

Again, thanks to everyone who participated in all the work these past weeks, from our docks in crews, tow boat drivers, crane team, travel lift operators and crew, line handlers, cradle knock-downers, coffee runners and especially everyone who made and brought in foods for lunches. These work parties are one of the most important aspects of being a member of DYC, even if it wipes us out like these two.

Leigh and Leah Brown

**Out with the Old
+ In with the New**
Our mast cable and pulleys have been replaced and the winch has been automated.

Vice-Commodore's Report . . .

By Patti-jo Chambers

vice.comm@dalhousieyachtclub.com

Wow! What an exciting time of year with longer days and breaks in the weather, we begin to see more and more familiar faces in the yard and now on the docks. Very exciting indeed!

As our membership continues to grow, we are thankful for the many talents our members offer up to help out, when called upon. The list is long, but just know you are all so appreciated! Our schedules are busy with work, family and friends and those unexpected life happenings, yet, DYC members rally when needed most. Docks In, Docks In crews, the mast crane, the plumbing, the wiring, Launch, the launch crews, the foods, the smiles, the laughter, the hugs Thank you!

I've thoroughly enjoyed working alongside many of you, and I look forward to introducing our new members with Claire, to you this season.

And a new update ~ the plan to re-introduce and sponsor the [DYC Easter Seals Regatta](#) is underway. The date is set for Sunday, September 10th. If you are interested in helping us with this big event, be sure to let us know. As always, the more, the merrier!

Patti-jo

Harbour Office Hours

Currently 7 days

10 a.m. - 6 p.m.

Starting
Friday, May 19th

9 a.m. - 9 p.m.

Remember: Parking is always available on the east side of the channel.

The HO staff will happily shuttle you across, when they are available.

Docks & Digital Report . . .

by Thom Hounsell

docks@dalhousieyachtclub.com

Wow, what a powerhouse team we have at DYC! There's so much great work going on!

Despite some gray weather, the docks-in went extremely well. Please note that the numbering on some docks still requires updating so please have a look at the [map of slip assignments](#) as needed.

Of course, if you've installed the new DYC Members' App, you'll always have a slip map handy.

And, did you know you can immediately call, text or email a member from the slip map?

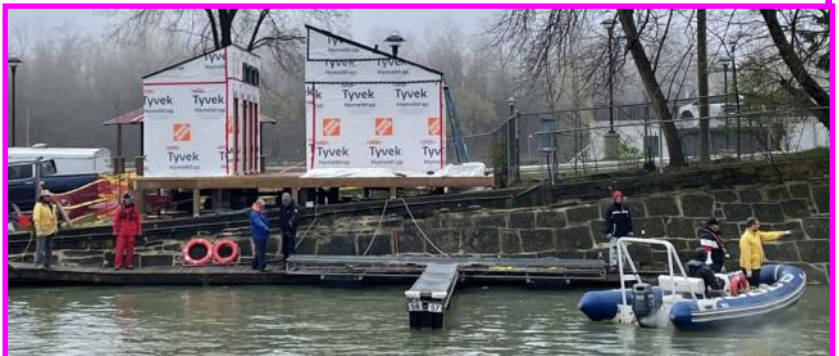

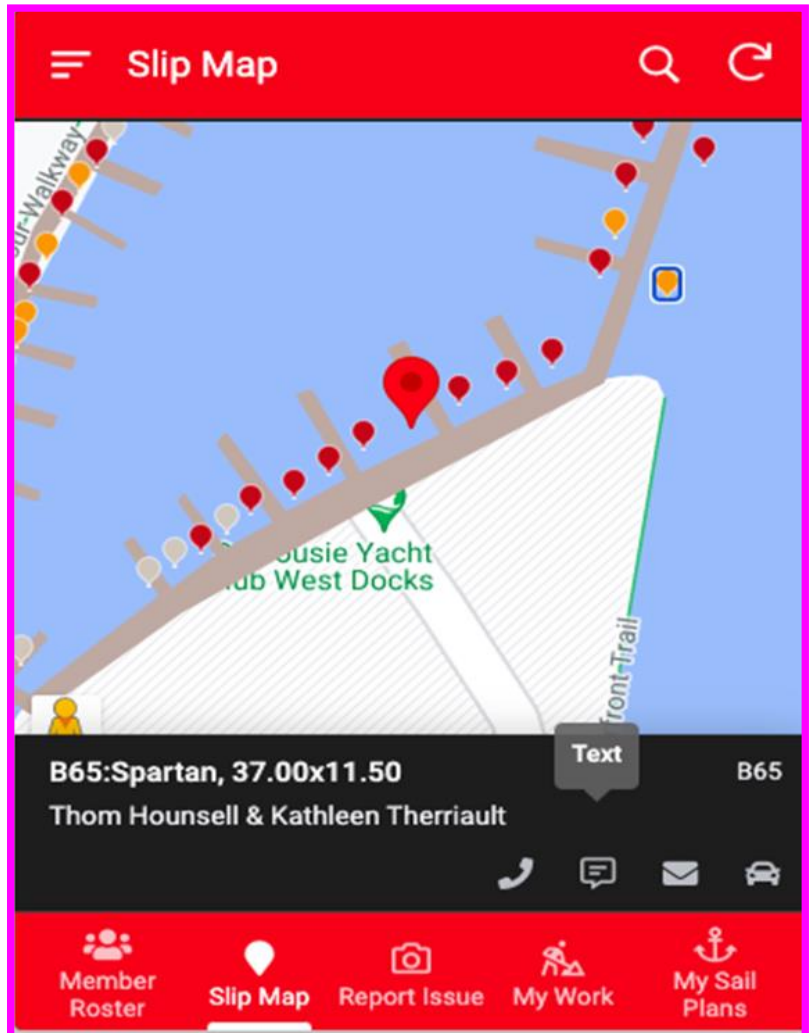

Just click on any map icon and you'll see the boat details, the members' names and icons for immediately calling, texting or emailing the member!

There are lots of other things in the app, so please feel free to explore! I will be at the club again on the next boat splashing event to help you get the app on your phone if you're not sure how to do so.

Also, if you've missed the invite to download the app, and you'd like to give it a try.

[Contact me, for further information.](#)

Cheers, **Thom**

Fleet & Yard Chair Report . . .

by James Desjardins

fleet@dalhousieyachtclub.com

yard@dalhousieyachtclub.com

As the Fleet and Yard Chair I am learning a lot about what it takes to operate and develop as a member-run not-for-profit yacht club. I am getting the opportunity to talk and work with many of our members. We are a diverse and enthusiastic bunch.

As we lead into the 2023 boating season there are many highly visible products of contributions made by our members. Our beautiful new West side washrooms, fence and gate replacements, various lighting improvements, "A" docks extending to the North gate, travel-lift maintenance including a new exhaust assembly, a new winch, blocks and cable assembly for our mast crane, a DYC member's app, a lively clubhouse with great events, an exciting race schedule, popular cruises, a growing Learn to Sail program... etc, etc..

While many of the contributions from around the club are highly visible in the products that they result in, or the visible expertise during work events (like our incredible travel-lift operators), I think that now is a good time to also acknowledge the less visible, yet just as substantial contributions being made by our highly skilled and dedicated members. I am thinking about the people who balance our books, keep our risks and liabilities in check, develop data structures and documentation strategies, plan and implement initiatives to not only make the club financially sustainable but thriving, and so many other things that I am not even aware of yet...

I also want to not only acknowledge the work that is being done now, but all of the sacrifices and investments that have happened in the past, often under more difficult times than we are experiencing now. I am eager to hear the stories about our club's history and the lessons that our members have learned in the past so that I can contribute to informed decision making as we move forward.

Finally, I want to thank everyone who has enthusiastic conversations about the future of the DYC. I want the comradery that I feel on DYC grounds to guide our progress as we enter what is promising to be a great 2023 boating season, and many, many more to come.

Have I mentioned how much I love this place?

James

Hoo ~RAY! The first weekend of LAUNCH is behind us!
So many members came out to assist, or prepare food for the crews. Many thanks to ALL!

The start of Launch Day #2

History Matters . . .

by Dan Sundy

history@dalhousieyachtclub.com

DYC crest, made of inlayed linoleum, from the main entrance. Probably from the late 1960s. Eliminated recently because of deterioration, and replaced with removable mats.

Dan

From the Office . . .

by Patti Fagan

office@dalhousieyachtclub.com

New Office Hours starting May 1st for the Season

Tuesday 9 - 5
 Wednesday 11 - 6
 Thursday 9 - 5
 Friday 11 - 4

These "flex hours" will balance out required quiet office time, availability for club members, and administrative support for Harbour Office.

Fair Winds,

Dining & Entertainment Director's Report

By Genevieve Hunt

food@dalhousieyachtclub.com

What's on at DYC

Good times, delicious food (thank you Fox Foods) and much enjoyed music by Tin Roof at Tapas Night. There was a great deal of positive feedback on this event and the entertainment - so we'll be looking to do a repeat of this again in the future for sure.

Back by popular demand is the Fiesta Dinner + Margarita Pairing night, this Saturday, May 6th. Join us for the scrumptious four course menu.

Following the success of the March 11th Music Trivia Night, there's another Trivia Night planned for May 13th. If you haven't booked your table yet - please do so to not miss out on a really fun night! Bring your friends - what songs you don't know - they might! Prizes for those in the know.

Boats are in and we're all looking forward to patio weather!

To accompany the sunset DYC patio Acoustic Thursdays continue this year beginning Thursdays in June with alternating performances by Abe Bergsma, Robert Alfieri and the new addition of Jacob Stirpe.

May 27th will be an evening that is sure to test the pier footings with the band Not Going Quietly. They're not kidding. If you like to dance - you won't be able to stop! Please book early this group is popular.

Looking towards Summer, you won't want to miss East Coast Night on Saturday July 15th with great food and a band to get you in a toe tapping East Coast mood.

That's it for now and I look forward to seeing you at DYC soon!

Genevieve

DYC Cruising Co-Ordinator . . .

by Sandra Chave

cruising@dalhousieyachtclub.com

Please go to the club calendar to register, if you plan to join us for Club hosted cruises. Also, please remember to cancel your reservation, so that a wait listed boat can participate.

Thanks, Sandra, for organizing the feeding of the DYC work crews at Docks In + Launch!

LTS Directors Report . . .

By Marion Markarian

sailing.school@dalhousieyachtclub.com

One month to go and the Learn to Sail will be up and running!

We now have our full complement of instructors with Abbey Williams joining the team of Fiona and Ella as camp counsellor. Abbey, with her experiences working with children and youth, will be a great asset to the program.

Spots are filling up quickly but there are still some available in August. So, pass the word around before they are all gone. For adults interested in learning keelboat sailing, there are 3 more spaces for the June afternoon sessions.

Boating can be a thirsty sport! Consider placing your refundable bottles and cans in the labelled bins by the garbage cans at the gates on the west and east sides. They will be collected and returned, with proceeds being allocated for the Learn to Sail program.

[Sign up now to avoid disappointment!](#)

Looking forward to warmer weather and fair seas,

Marion

Fiona, our DYC Head Learn to Sail Instructor, preparing the dinghy fleet.

Many thank you's to all of you that piped the pipes, and wired the wires. What an amazing TEAM to answer the call for volunteers!

When the lights are on, the fans are blowing, and the water is draining, we have ALL OF YOU to THANK!

Please let us know if you are available to assist Craig installing any or all of the flooring, walls and ceilings. Please drop Craig a line if you are available to help out with tasks.

[Welcome](#)[Sunset Dining & Patio](#)[Club Calendar](#)[Sailing School](#)[Racing](#)[The Breeze](#)[Membership](#)

Racing

DYC boasts one of the most active racing communities on the lake. White sail, spinnaker, Kirby fleet -- DYC has it all. On Sundays and Tuesdays we offer our Fun Race series.

Those new to sailing have an opportunity to learn the rules of racing from experienced racers, and experienced racers practice their skills. On Wednesday nights the competitive racers take to the lake, with prizes being awarded at the end of the season. Additionally, there are several regattas in which racers participate throughout the season.

From Our DYC PHRF-LO Officer . . .

by Chris Turner

racing@dalhousieyachtclub.com

PHRF-LO for the 2023 Racing Season

I wish to invite all racers to plan early and to request a valid PHRF-LO Certificate as soon as possible.

Generally speaking, if you wish to participate in either the Wednesday championship racing, the long distance races or any interclub racing, you will need to receive a valid Certificate.

For the Tuesday or Sunday fun races, if you wish to be scored you will also need a certificate. This certificate gives your boat a handicap rating that allows the Race Committee to score your performance against your competitors.

Dalhousie Yacht Club pays a fee annually, to belong to PHRF-LO based on the number of boats issued a Certificate. Therefore, your racing fee includes the cost of the Committee boat and equipment (marks) and the costs of the Certificates issued. There will also be awards issued at the Sailors banquet at the end of the season for all race series. So therefore "if you use the certificate you should pay for it." For all DYC racing fees refer to the fee table on the web site.

Apply early so we can issue the Certificates without delay. If you are a new owner, haven't raced in a while or you have made changes to your boat/sails, we will need to measure your sails (or you could have your sailmaker issue a note), complete forms and apply to PHRF-LO. But the process takes time, particularly at this time of the year.

Chris

Six sets of sails were measured this past weekend, preparing for the PHRF-LO certification. Thank you, Chris and Claire for setting up the sail measuring opportunity.

If you still need to get yours done, reach out to Chris. He'll be found on Didgeridoo on B Dock.

DALHOUSIE YACHT CLUB FUN RACE SERIES
SUNDAY MORNINGS + TUESDAY EVENINGS

Schedule: *(tip: cell phone time is very close to GPS time- use the alarm function! RACE COM CH 71.*

Sunday morning Start time is 1000 hrs GPS time.

Tuesday start 1800 hrs GPS time

Sunday Distance Race Series May 28, Jun 25, Jul 30, Aug 27

Commodores Cup Jun 18

Sunday or Tuesday where DYC is hosting regattas, LOSHR in mid-Sept

Registrants will be advised of any date changes.

Easter Seals Regatta 2023

Calling for Volunteers to help

Dalhousie Yacht Club has sponsored this regatta for the some 22 years. We have been unable to hold this event for the past several years because of high water, pier re-construction and Covid. We are planning to re-introduce it this year on Sunday, September 10 and would like to establish a committee of DYC members and members of the community interested in bringing this very worthwhile event together for the benefit of kids with physical disabilities.

Participation in this event can include planning and organizing, helping on the event day/weekend, offering your boat to take a participant/family on the lake, etc.

Please consider helping us to make another successful event. To volunteer or for more information contact:
