Commodore's Report . . .

by Lew Holloway

commodore@dalhousieyachtclub.com

The docks are safely in, with many thanks to all who participated and special thanks to Dock/I.T. Director Thom Hounsell for such a great job of coordinating and keeping on top of everything. Everybody showed up on time, the weather cooperated, and everything was going fine until we encountered motor problems on both the Whaler and the Avon. With a bit of ingenuity, the challenges with the Avon motor were resolved. However, the Whaler was taken out of service. Rear Commodore, Jeff Newkirk, saved the day by borrowing a boat from a very kind business acquaintance, and we were able to finish putting all docks in by mid-afternoon. This was safely accomplished because of the sheer number of volunteers present, and the hard work and dedication of all those who kept at it until the job was done. The day was capped off with delicious pulled pork sandwiches and fries served by Fox Foods. The comradery created by meaningful work, happy volunteers, good food and a few beers made for a great day. Now all we have to do is repair the Whaler motor!

As I have said many times before, there are lots of dedicated volunteers working on the various projects required to continuously improve our club. As an example, we were having steering difficulties with our very old tractor and Peter Sharpe took on the job of rebuilding the steering pump and replacing a tie rod (with a little help from Dave Pressley). Thank you, Peter and Dave.

Yard Director Tom Schulz, with help from Dave Bellhouse, got the water turned on in the yards and to the East side washrooms in time for docks-in. Jeff Mackie opened the Harbour Office on Friday and provided fuel and supplies as needed.

Thanks to a donation by Tim Braun, there is a large new sign on the west side fence advising transient boaters that they are entering DYC's West Side Docks and to check in at the harbour office.

It is an exciting time of year because boats are scheduled to launch starting on Saturday, April 30th with the majority of boats launching on May 7th and 14th. It is a very busy time for our unbelievable travel lift crew. Please help out by making sure that your boat is ready, your ladder(s) have been removed, and all garbage has been taken away.

Lastly, Dan Switzer will not be returning this year as he has decided to pursue a full-time, year-round career. We wish Dan every success as he served the club very well last season.

The good news is that we have now hired a new Harbour Office/Yard Supervisor, Diederik van Dijk. Diederik is well educated (Master's Degree from the Keller Graduate School of Management) and extremely well qualified after having served as Harbour Master at the Oakville Yacht Club. Diederik is team oriented, has a strong customer service focus and is experienced in dealing with the public, volunteers and members of the community. Please join me in welcoming Diederik to DYC. His start date is May 4th.

Happy boating, *Lew*

A Warm DYC to OUR New
Harbour Office / Yard Supervisor
Diederik van Dijk

Congratulations, Cameron Pael,
and Welcome Back as our DYC
Harbour Office Assistant Supervisor

~ Canada Summer Jobs Placement ~ Dalhousie Yacht Club ~

Student Dock Attendant late June - Aug

Please send all resumes to:

Diederik.van.Dijk@dalhousieyachtclub.com

What Youth Participants are Eligible

To be eligible, youth must:

- be between 15 and 30 years of age at the start of the employment*;
- be a Canadian citizen, permanent resident, or person to whom refugee protection has been conferred under the Immigration and Refugee Protection Act for the duration of the employment**; and,
- have a valid Social Insurance Number at the start of employment and be legally entitled to work in Canada in accordance with relevant provincial or territorial legislation and regulations

Student Dock Attendant's main job duties include operating of a marina fuel dock, greeting all boaters, attending to member/customer concerns and maintaining club facilities and grounds.

Responsibilities:

- Greet visitors, ascertain nature of business and provide direction to visitors
- Perform multiple daily dock walks to check on vessels, vacancies, customers and dock conditions and safety
- Monitor docks and vessels during inclement weather
- Assist guests with docking and departures
- Ensure area is clean; empty garbage receptacles and pick up litter
- Ensure any work area is kept clean and clear of any potential hazards such as slippery objects or tripping hazards such as ropes or debris
- Respond to customer requests for fuel
- Take payments for docking/fuel
- Other duties as assigned

Requirements:

Pleasure craft operator card (PCOC) (Preferred)
(To be attained in advance of start day)
VHF ROC(M) (Preferred) (Can provide training)
Proficiency with Microsoft 365
Knowledge/experience with boats
Retail experience an asset

Part-time

Salary: \$15 per hour

Schedule: Must be available days/evenings/weekends.

Vice-Commodore's Report . . .

by Leigh Brown

vice.comm@dalhousieyachtclub.com

It's great to see our club come to life over the last few weeks, maybe it's the fresh air but I'm feeling like a poem is the only way to say...

The smell of flowers as they bloom,
Is that a bird nest in my boom?
The sounds of tarps flaking off,
Oh shit, does my deck feel soft?

Soothing sounds from a nearby stream,
Highwater? No! just a bad dream!
Hard work it is, I do agree,
but ain't it great at DYC!

Ok okay, I'll stick to my day job and that "something in the air," is just those damn midges another sign that boating season is here. Docks In was a success due in large by the quick thinking, and never quitting effort of all our volunteers. I can't think of a better way to get everyone out from hibernation and mingling again. Boats will be launched on May 7th and May 14th, and provides even more opportunity to familiarize yourselves with other DYC members.

We're having another Virtual Member Information night on May 3rd 2022 at 6:30. Watch for details in your email and calendars. I look forward to introducing some new faces, provide updates on projects, and answer any questions you have about the future of our club.

Your ongoing volunteerism and participation in our work parties and committees is both appreciated and required, to ensure DYC's future here in the Dalhousie Harbour of St. Catharines. With only a few open slips available and many new members, we need to work together to help them "Learn the Ropes" and join in where they can.

Here's to the best kept secret on the lake Ontario . . . not a secret any more.

Leigh

Big SHOUT OUT to ~

Chris McLaughlin

For doing such a great job of
switching up our DYC sign!
Thanks for keeping it fresh
and making us all smile!

Office Report . . .

May is one of my most favourite months of the year at DYC . . . docks in, boats in, seeing members around the club, summer staff returning . . . lots of work being done, lots of great team work! Welcome back everyone!

Reminder DOCK PAYMENTS ARE DUE! All dock fees must be paid in full prior to launch. E-transfer to deposits@dalhousieyachtclub.com or drop a cheque in the clubhouse mailbox marked with your boat name. There is a secure mailbox just to the right of the clubhouse door, if it is after hours.

If you are storing your trailer, jacks, folding or fixed steel cradle in the yard this summer . . . please make sure your boat name is clearly marked. Invoices for summer storage will go out in early May.

Starting May 3 the office will be open 4 days a week - Tuesday to Thursday - 9am - 4 pm. I look forward to seeing everyone again!

Patti

DYC Harbour Office Hours

Wednesday, May 4th - Sunday May, 15th ~ We will be open Wednesdays to Sundays 9 - 6
Starting Monday, May 16th ~ We will be open 7 days a week ~ Mondays - Sundays 9-6

Welcome Aboard New DYC Members

We are looking forward to seeing you in the clubhouse, at DYC events, on the patio and on the docks. Thanks for joining us!!

Message from Docks & Digital . . .

By Thom Hounsell

docks@dalhousieyachtclub.com

digital@dalhousieyachtclub.com

Super-duper, big-time **THANK YOU! THANK YOU! THANK YOU!** to each and every member who came out and helped with Docks-In day, to those that helped in the prep days and to those who came out the following Saturday to add fender boards along A dock! It was an extremely impressive display of hands-on, gitter-done, all-for-one cooperation and teamwork.

We faced some significant challenges with the boats, which caused other challenges throughout the teams. But everyone did great work at improvising solutions and - most importantly - everyone kept smiling.

It was a fantastic start to what I expect will be an excellent season! The docks are in and all fingers and toes are accounted for. Awesome!

Let the season begin!

Thom

Welcome Home, Red Stripe!

History Matters . . .

by Dan Sundy

history@dalhousieyachtclub.com

1955, from the Standard. DYC's First Invitational Regatta. Paper found by Jeff Mackie in a wall during re-construction.

24

THE ST. CATHARINES STANDARD, Friday, Aug. 12, 1955

Dalhousie Yacht Club Has First Invitational Regatta This Weekend

The yachtmen will take over Port Dalhousie this weekend as the Dalhousie Yacht Club holds its first invitational regatta, a two-day affair which is expected to attract sailing and powerboat enthusiasts from all around Lake Ontario.

The regatta is scheduled to get under way at 2 p.m. tomorrow when boats of the Dalhousie club will cruise from the harbor and form a guard of honor for the arrival of visiting craft. Members of the Jordan Boat Club have planned an exhibition of aquatic sports at 2:30 p.m. in front of the Port Dalhousie club.

An hour later, outboard races will be run off Michigan Beach with competition open to both club and private boat owners. Water jousting and dinghy manoeuvres will climax the Saturday afternoon program with more races and a tug-of-war scheduled for the evening. A dance will follow at the Dalhousie Yacht Club.

Sunday, a 2 p.m. sail past with Commodore Frazer Klager taking the salute at the clubhouse. More

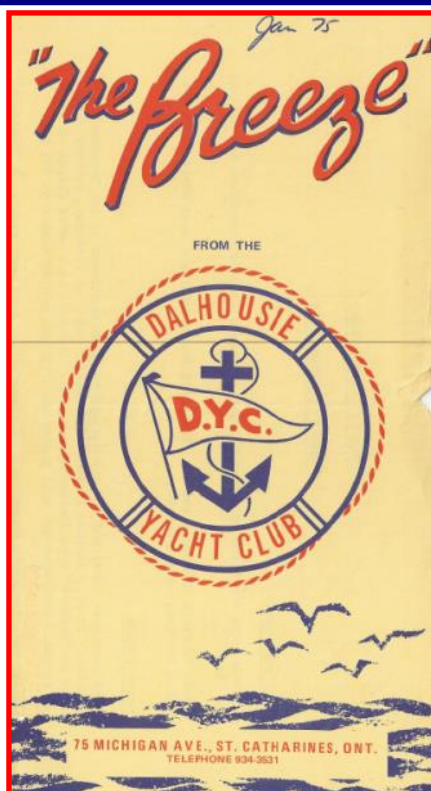

aquatic sports will follow with rowing, sailing, outboard and inboard races. The larger cabin cruisers will even try their luck against each other.

From Far and Near

Commodore Klager expects boats here from far and near. Several from Toronto, Hamilton, Port Credit, Oakville, Youngstown, N.Y., Olcott, N.Y., and Wilson, N.Y., have already signified their intentions of coming.

"If that hurricane stays away from here we expect this will be one of the biggest regattas of its kind to be held here," says Commodore Klager. "If there's any money made, it will go toward the purchase of equipment for our search and rescue unit here."

The Dalhousie Yacht Club is an integral part of the Lake Ontario search and rescue service, an organization extending from Oshawa on the east to Rochester on the south and concerned with making the lake a safe place for pleasure craft. The Port Dalhousie outfit is in charge of the area from Jordan to the Niagara River.

DALHOUSIE YACHT CLUB

JANUARY BULLETIN, 1975

COMING EVENTS

Plans have been finalized for the Western Night we mentioned in the December Bulletin. It will include a dance with Western Music on Saturday, January 25th. Dress is "Western" type clothes if you wish. There'll be a cover charge of \$1.00 per person. Beef-on-a-bun will be served. Tickets are available at the bar.

Regular Saturday Night Dances will continue with a band each night. A "Specialty" dance such as the one mentioned above will highlight the last Saturday each month. A "Hawaiian" night is being arranged for February.

Don't forget our regular Wednesday night mixed Euchre games - we would like to see more of the ladies. This is a nice evening's entertainment at \$2.00 per person. Lunch is served after the games.

NEW MEMBERS:

Welcome aboard to: Mary Casey and Ron Cobley

PRICE INCREASES:

It is with regret that we must inform you that we have had to raise our bar prices. Our government deems it necessary to increase our taxes to cover the costs of rising salaries. We must pass the costs on to our bar patrons.

Effective February 2nd, 1975: Beer will cost 50¢ plus 10% Sales Tax = 55¢
Bar Liquor will cost 80¢ plus 10% Sales Tax = 88¢
Prices will be tabulated in this manner so that we can save 1% Sales Tax on our liquor sales.

DYC Boat Launch Notification - 2022

Now that docks are in, it's time to get boats ready for launch. Current plans are to have two major launch days, May 7 and May 14. We thought it wise to not launch May 8, Mother's Day. We

expect to launch about half of the 60 boats in C Yard on each of the above dates but there is a possibility that we could do more. Below is a tentative schedule in order of launch. Boats at the top of May 14, should be ready for May 7.

On May 7	On May 14
TARA	INTERLUDE
PENALTY BOX	SEA SCAPE
SHADOW	CHIMO
GENIE	PICKWICK
WINDSONG	DIDGE
CARIAD	OBLIVIAN
CAMELOT	SB mast up/trailer
CATCH THE WIND	STIR CRAZY
QUIET FLIGHT	CLIPPER
WISHBONE	Another Reign Beau
CHIL	MARIAH
SEA SPRAY	A GOOD YEAR
AUTUMN WIND	RUN ABOUT/TRAILER
LUCI	FELINE EH
TRIVIA PURSUIT	BRASS TACKS
BRAVEHEART	SWEET JAM
SPARTAN	PAPILLON
GOODBY GIRL	ARLEX
ADELE	DAY DREAMER
CHI CHI MARU	?30 SB
BIG CHILL	R&R
HORUS	
GRACE BLUE	
GINJA NINJA	
BRUTUS	
DHARMA I	
SEA ROVER	
CASSIOPEIA	
LE PAPILLON	
OARS UP	
TAKEELA	

~ In case you missed this April 24 email ~

Preparation for all boat owners means:

- * Four 30' dock lines attached, bow & stern, port & starboard.
- * Engine test run prior to lift, ensure there is enough fuel in it to get to assigned dock.
- * Prepare for rain; decision to delay is up to launch crew.
- * Have fenders on deck ready to deploy when boat is in water.
- * Check through hulls for leaks when in the travel well.
- * Do not start your engine until you are asked.
- * Move boat to assigned dock, secure and return to C yard to flatten, tie your cradle, and help other members. A DYC shuttle will be available if needed.
- * Remove pads, ladder, cover and all assorted cleaning equipment etc. from your site. Check around your storage area to be sure it is clean + free of sharps.
- * 2 club ladders will be available as your boat is being launched for last minute access. There should be no personal ladders on or about your cradle as your boat is lifted. Your cradle will be moved while your boat is in the lift, ladders impede the yard crew and may get damaged.
- * It would be helpful for members to take recyclables and assorted rubbish home.

Please contact Tom Schulz

Tom - yard@dalhousieyachtclub.com 905 934 1329

This is also a callout for members to volunteer time and talent in various ways on these two days. Contact yard@dalhousieyachtclub.com

Some examples of help that will be needed:

- handle dock lines at travel lift bay
- skipper whaler or Avon to ferry members across harbor or tow boats if needed
- knock down and tie up cradles
- put blocking and jack stand on pallets or out of the way
- remove water lines
- get fuel for travel lift or tractor and things we haven't yet thought of.

Let us know if you are available to help out, we'd be happy to have you join us!

Finally, a nice weather day arrived, along with many members to get all kinds of boat prepping done.

Learn to Sail Report . . .

by Kiki Klassen

sailing.school@dalhousieyachtclub.com

Calling all abled sailors!

Docks are in, the weather is warming up, the sailing season is almost here and we need you to join our revamped Learn to Sail Committee here at DYC!

My name is Kiki Klassen, and I am the new Director of Learn to Sail at Dalhousie Yacht Club. I've been teaching sailing since 2016, in 3 different countries and a few different oceans, but this year my mission is to get your kids out on the water and into their captain's seat at the club.

I am a firm believer that in order to grow any sport you must start with the kids. The junior sailing program is a vital artery to the body and soul of any sailing club, and I am very excited to get the LTS program back up and running in a small, but mighty way.

I am looking for volunteers to join our Learn to Sail Committee for this summer. Sailing knowledge and experience is appreciated, but not necessary - a positive attitude is essential! Volunteers will be needed on a few pre season preparation days as well as weekend mornings throughout the summer. If you are keen, please send me an e-mail at kiki.klassen@dalhousieyachtclub.com.

Thank you so much, I can't wait to see everyone out there this summer!

Kiki

Teaching Sailing in Costa Rica 2022! :-)

From Our DYC PHRF-LO Officer . . .

by Chris Turner

racing@dalhousieyachtclub.com

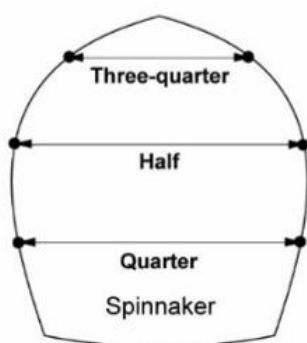

FUN RACING

Racing starts as listed, May 15, Sunday at 1000 and Tuesday May 17 at 1800. If the marks are not laid, the date will be delayed 1 week. The first 2 races shall be deemed practice as some boats will not be ready due to the launch date.

If you wish to try racing and are not sure, it was decided to allow participation for 2 races without a valid PHRF Certificate. If after you decide you want continue the fun, you will need to pay the fee and receive a certificate, so that you can be scored.

PHRF CERTIFICATES

For those skippers requiring a PHRF Certificate:

- for racing this season and have never been issued a Certificate before;
- have a current certificate that was issued prior to 2019;
- are changing fleets from NFS to FS and need their spinnaker measured;

Bring your sails to the DYC clubhouse on May 07 between 0900 and 1200. Bring only the sails you intend to use for racing; your main, your largest headsail and your asymmetric or symmetrical spinnaker. If you are launching that day, you are welcome to drop them off to us and we will get them measured up for you.

This season PHRF-LO have amended the measurement of the spinnaker from maximum girth to mid-girth. For most boats a remeasure will not alter your rating, however if you intend to do any serious interclub racing or regattas, a remeasure will be required for a valid 2022 certificate.

If you have significantly modified or added anything new to the hull, prop or rig configuration, then you should report the change to DYC to enable us to adjust and validate your certificate for 2022.

Your DYC PHRF-LO Officer,

Chris

Welcome Visitors Dining Events Sailing School Racing The Breeze Membership

CHECK

OUT

RACING
at DYC

Racing

DYC boasts one of the most active racing communities on the lake. White sail, spinnaker, Kirby fleet -- DYC has it all. On Sundays and Tuesdays we offer our Fun Race series. Those new to sailing have an opportunity to learn the rules of racing from experienced racers, and experienced racers practice their skills. On Wednesday nights the competitive racers take to the lake, with prizes being awarded at the end of the season. Additionally, there are several regattas in which racers participate throughout the season.

Wednesday and Distance Racing

- SIs are posted on the Racing Page
- Any amendments will be posted on the Race Notice Board

Spring	Summer	Fall	Distance
Wednesday, May 18	Wednesday, July 6	Wednesday, August 31	May 29
Wednesday, May 25	Wednesday, July 13	Wednesday, September 7	June 26
Wednesday, June 1	Wednesday, July 20	Sunday, September 11	Jul 31
Wednesday, June 8	Wednesday, July 27	Sunday, September 18	Aug 28
Wednesday, June 15	Wednesday, August 3	Sunday, September 25	Oct 2
Wednesday, June 22	Wednesday, August 10	Sunday, October 2	
Wednesday, June 29	Wednesday, August 24		
Cornucopia		"Trophy" Races	
Saturday, September 3		TBD* : Saturday, June 11th Lady Skippers : Saturday, July 9th TBD* : Saturday, August 6 th	

- Cornucopia and "Trophy" Race Sailing Instructions will be posted by end of May
- Cornucopia and "Trophy" Races will have festive activities back at the clubhouse, more details to follow

* Races will be given names within the SIs

Fun Racing and PHRF Certificates

Fun Racing

- Headed by Chris Turner
- Tuesday evenings and Sunday mornings
- See Fun Race Series SIs for details

PHRF Certs

- Will be required for any boats racing at DYC or else where on Lake Ontario
- Fees ensure the sustainability of fair racing on the lake
- Some mains and spinnakers may need re-measuring
- See Chris for all things PHRF

Race Committee & Volunteers Needed

Race Committee

- Race Committee are volunteers
- They create a level playing field for racing
- If you have a complaint, direct it to me, never to them
- Note: They do not have to reply to your hail on the radio

Volunteers Needed

- 2-3 new for Race Committee, they do a great job, and we need to ensure continuity (Thanks to Ellen Ann, Carol, Debbie and Lloyd!)
- Dave Thomas has volunteered for race results (Thanks Dave!)
- We need volunteers for;
 - Race Mark drops on May 7th
 - Cornucopia Fun Police
 - **Race Committee**

DYC West ~ Active Construction Site Map ~

Access Beige Areas Only
Please, Do Not Enter Red Shaded Areas

PARKING FOR DYC MEMBERS

ON THE EAST SIDE, THE DYC CLUBHOUSE SIDE

DYC Parking on the east side of the harbour is available in the open lot between the Harbour Office and Learn to Sail building, "B Yard".

"C Yard," where the travel lift is kept is also an option, once the boats have all been launched and the cradles are stored away. This lot is semi-secure. Coordination may be required depending on any work being done to maintain / enhance this space throughout the summer and for winter storage.

Access to your boat on the west side can include:

The DYC Boat Shuttle will run when the Harbour Office (HO) is open.
When staffed, request transport from one of our harbor office staff.

Dingy – use your dinghy if you have one to make your way back and forth
to the west side from the east side of the harbor.

Take a lovely walk around the harbour on the Waterfront Trail ~ 15 minute walk.

ON THE WEST SIDE OF THE HARBOUR (THE TOWN SIDE)

Beach / Lakeshore park Parking ~ May1st to October

St. Catharines / Port Dalhousie Residents - \$15 season parking pass,
limit 2 per family/household,
vehicles register to a home in St. Catharines.
You can use only one car at a time.
Anyone else \$3 Per Hour rate / maximum 3 hours.

There is overnight parking in Lakeside park from 9pm to 8am,
as the parking restrictions are not enforced between those times.

6 Spots ~ West Side B Dock

Aim to use these spots for unloading provisions, drop offs and short
day stays, as there is limited space. Please park on the East Side for
longer stays, overnights, weekends and cruising.

6 Spots ~ by the Harbour Club (HC) Sales Office

We will need to reissue parking passes again this year for HC space. There is no gate and it
won't be locked. The much larger Lincoln Fabrics area that we used last year is now a
construction site and is not available to us, we CANNOT use this area.

History of the Canada Games

The Canada Games began in 1967. It is hosted every two years. This summer (August 6-21) Niagara will host over 5000 athletes, coaches and support staff from 13 provinces and territories in 18 sports. The Canada Games are the highest level of national competition for up-and-coming Canadian athletes (past competitors - Andre De Grasse, Steve Nash, Michelle Plouffe, Jennifer Abel).

Some Facts About The Canada Summer Games - 2022

One of the goals of the game is to provide **a phenomenal** experience for the athletes and other participants that will propel their development, allow them to perform their best, and inspire them to dream big.

The Village at Brock University will provide accommodations, meals and services specific to athletes, coaches and their supports. Participants will be bused to venue.

The Games are bilingual – we will have signage in both languages and our lead for languages is Stephane Dupervil– who will be onsite to make announcements in French.

All staff and volunteers will be wearing the same uniform so spectators, athletes, coaches, and sponsors will know who to go to for assistance.

The Games will provide security for the tents, boats and equipment while they are on site.

Racing Information

The racing area must be in Canadian waters, therefore west of the river mouth.

The racing area has to be southeast of the downbound traffic lane to Welland Canal.

The racing area should avoid the main river current. From local experience, staying southwest of the line labeled “Western Limit of River Current” should work.

The racing area should be no less than ½ nautical mile away from the shoreline. The ½ nm mile Offshore line is indicated on chart. It is a bit closer than ½ nm to Four Mile Point where the trees aren't as close to shore as elsewhere.

Schedule of Events

August 12 – Tents etc. will arrive and be put up

August 13 - Competitors will arrive with boats

August 14 – Measurements

August 15 – Training Day

August 16 – Training Day

August 17 – Race Day

August 18 – Race Day

August 19 – Race Day

August 20 – Race Day and Awards

August 21 – Contingency Date for Race Day and Awards

While it will be a busy place, club members will have full access to their boats except for the use of the hoist and the ramp when competitors are launching and hauling out their boats. We will keep you posted.

Members will be encouraged to cheer the athletes on as they leave and return to the club each day. We are hoping that members will help to celebrate the event by decorating their boats for the Awards ceremony on either August 20th and 21st.

If you have any questions email me directly at Maureen.shantz@gmail.com

Cheers and see you on the water.

DYC GARDENS

NEED YOU + YOUR BULBS!

If you are thinning any perennials or flower bulbs, think of potting some up and dropping them off for us. We'll all be thankful!

The BREEZE CLASSIFIED

Get noticed by hundreds of people
in the boating community.

You can advertise in the Breeze as well.
