presenting to DYC

Hopefully your boats are now put to bed for the winter and you can focus on the holiday season that is upon us. I would like to invite you all to join myself and your Board, for a Wednesday, December 7th, 2022 Information and movie night.

Wednesday's have been DYC Games night for many years and have had to stop due to that . . . "C" word came and ruined all our off-season fun.

Well, that's over and Genevieve, our Entertainment Director is bringing the fun back starting with an information night and followed by a Christmas movie filmed here at DYC last year.

A Very Merry DYC Member Information & Movie Night ~ Wednesday December 7th, 2022
This is an IN-PERSON event, however for those who cannot attend in person, a Teams link to join virtually is available below.

[Register online and let us know if you will attend in person or online.](#)

6:30 p.m. Member Information - Learn more about

Fiscal year changes and payment schedule alignments.

The 2023 event calendar reveal.

Project updates - West Side Washrooms (WSW) let the demolition begin!

Volunteer effort tracking - Your blood sweat and tears add value to our club, make it count.

Where to find volunteer opportunities to get involved.

Q&A - ask and it shall be answered . . . [Click Here](#) to complete a DYC Membership Pulse Check survey.

7:30 p.m. - DYC Presents

"Christmas on Mistletoe Lake" This Holiday movie was filmed last November and features our very own DYC Clubhouse and sights around Port Dalhousie. Popcorn, Coffee, Tea & Hot Chocolate Provided by Fox Foods. Members are welcome to bake & bring your own salty & sweet treats to share. Sunset Dining Room & Lounge will be open for Dinner & Bar Service during the meeting & movie.

Leigh

Commodore's Report . . .

by Leigh Brown

commodore@dalhousieyachtclub.com

If you were able to make your way through the snow storm on November 19th, to attend our DYC 85th Anniversary you would have heard this next part, but for those who missed it, I'd like to introduce you to Dalhousie Yacht Club's Officers and Board of Directors.

We have had some great members volunteer to the Board over the years and this year is no exception. I would not be here if it wasn't for their support and investment in time, NOT ONLY by the board member, BUT ALSO their supporting partners.

Before I introduce the board, I'll start by introducing you to my number one supporter and secret weapon. There is no way I'd be here without my first mate Leah Brown.

Barbara McMullen – Past Commodore and this year's Director at Large, appointed at the November board meeting. Barb is supported by her partner and Past Commodore Paul Haynes and brings with her a wealth of experiences and knowledge. She will be a helpful hand and sound voice at and around the board table.

Jeff Newkirk – Infrastructure, is supported by his partner Jennifer Newkirk. This is a new role, one that I know is important and Jeff will lead well, as we plan and execute over the next 15 years of DYC. No doubt we will have lots to come back to and celebrate at our centenary.

Brian Fleming - House, is supported by his partner Teresa Shouldice-Fleming, Brian is starting his second term and is a long-standing 2nd generation member and Board member. He is following his father's footsteps, Rick Fleming, who was our club's Treasurer for a great number of years.

Claire Camden – Membership and Communications, is supported by her partner Chris Turner. Claire joins us on the eve of her retiring from public service as a St. Catharine's transit operator. We are very lucky to have such a welcoming smile greet our new members as they begin their DYC journey.

Thom Hounsell – Docks and Digital, is supported by his partner Kathleen Therriault. Thom continues to build and support our digital platforms, providing ways to manage not only our docks, but a number of other aspects of our club. Thom like so many others, has joined us over the past few years. The two of them bring many years of club and boating experience, moving to the Niagara region from the north shore of Lake Ontario.

Marion Markarian – Learn to Sail, is supported by her partner Don Markarian. Marion comes to us with a wealth of experience running the St. Catharines Rowing Club Youth Rowing Program for the last 12 years. Marion sailed at DYC with Cyril Hammond and Phil Gorchynski for many years on a Shark then, J 24 and Cyril's beloved Wabana. She spent a season racing as well with Fred Northcotte, then with Al Baird on Chimo, before she took ownership and continues to host "The Knotty Girls" either out on the lake for a sail or tied up at dock with cocktails.

James Desjardins – Fleet and Yard, is supported by his partner Karrie Porter, James is a fireball... no wait... sails a fireball, races a Kirby and LOVES THIS CLUB!!! He's accepted the challenge of taking on Yard, along with Fleet with the support of our yard committee, Harbour Staff and Flag. We know he will get the job done, for the simple fact that he is In LOVE with this CLUB . . . Did I say that already?

Genevieve Hunt – Food and Entertainment, is supported by her partner Gene. They were my first Social Sunset Sail guests, shortly thereafter bought their own sailing vessel Volare and became Full Boating members. Genevieve will be filling our DYC social calendar this year with lots and lots of fun, so stay tuned.

Jim White – Secretary, is supported by his partner Margret. Jim, you would think I know more about with the amount of time I've spent talking with him. Truth be told, I'm only getting every 3rd word or so . . . Just kidding, I love your Scottish accent :). Jim will keep us on point, up to the minute and when passions run hot and discussions get heated Jim will remind us "We are Friends First".

Paul Demare – Treasurer and Safety Officer, is supported by his partner Nathalie Rouleau. They too joined Leah and I, on one of our earlier social sunset sails. It must not have been as nice of sail as it was for Genevieve and Gene, because when they bought a boat themselves, it was a power boat... but we won't hold it against them.

Lew Holloway – our newest Past Commodore, is supported by his partner Tracy. They are enjoying a very well-deserved break down south this winter. He along with all who came before him, have set me up for nothing but success and for that I am thankful. He should be warned though, he is only a virtual meet away.

Jeff Mackie – Rear Commodore, is supported by his partner Katie Mackie. Jeff's passion for Port Dalhousie and the future of our club shows through his successes overseeing the Harbour office and working with valued partners, Ed and Emily Fox, our Catering company Fox Foods.

Patti-Jo Chambers – Vice Commodore, is supported by her partner Doug Chambers. Patti-Jo or PJ, is no stranger to our members, especially those who have joined us in the past 2 years. Patti-Jo and Doug, along with others, have watched over Leah and I, through our DYC Journey, both on the lake and ashore. Because of this I am so grateful she accepted my ask to be Vice-Commodore with me during my first term.

If it wasn't evident already, I want it to be known, I am so happy to have such a great group of friends to continue the great work done before us. Please help me thank our 2022/23 DYC Board, with cheers and round of applause.

I'm looking forward to meeting, eating, drinking, working, oh and let's not forget why we're here, sailing or powering if that's your thing, with each and every one of you.

Talk soon, *Leigh and Leah Brown*

Vice-Commodore's Report . . .

By Patti-jo Chambers

vice.comm@dalhousieyachtclub.com

Many thanks goes out to our DYC 85th Anniversary Organizing Team

Betty Bellhouse, Dianne Clark, Patti Fagan, Genevieve Hunt, Val Jack, Barb McMullen, Chris McLaughlin, Wendy Northcotte, the DYC Wednesday Afternoon Wise Guys, for their wisdom, Jeff Mackie, Emily + Ed Fox + Team for organizing our appetizers, and Jim White for his laughter and patience with my desire to have an agenda.

To those of you that joined us, thank you for coming out in the snowstorm to share in our 85th celebration. For those of you that planned to come, we missed you. Many thanks to all our special guests for coming out on such a blustery day, you made our day that much more special by your attendance.

More thanks goes out to Betty Bellhouse, Sandra Chave, Louise Hastings, Genevieve Hunt, Marion Markarian, Jason Matsugu, Jill Miike, Greg Mulvihill, Cheryl Rees, and Chris Thorne for their Decking the DYC Halls skills. Lastly thank you, Chris McLaughlin for hosting Illumination Night.

The house is ready for the holiday season!!

Wishing you and yours, happy, healthy holidays filled with lots of surprises.

Patti-jo

Rear-Commodore's Report . . .

By Jeff Mackie

rear.comm@dalhousieyachtclub.com

I would like to take this opportunity to wish everyone a Merry Christmas and a Happy New Year.

We have much to celebrate as a club and seeing the show of support from our Mayor Mat Siscoe, Councillors, Regional Chair, MP and MPP at our 85th Anniversary shows the value we bring to the community of Port Dalhousie and the Region as a whole. Your hard work has not gone unnoticed.

We've had a very positive two years in the shadow of Covid and I'm sure that we haven't quite hit our stride yet.

There's much to do this winter and spring to improve for next season, so please make sure you are looking out for calls to action when they come. We are stronger and more resilient when we work together.

Cheers,

Jeff

Director at Large . . .

by Barb McMullen directoratlarge@dalhousieyachtclub.com

2012 - Ten years ago, I was Commodore of the Dalhousie Yacht Club.

We were a club celebrating our 75th Anniversary in which we held a memorable dinner and invited all the Past Commodores in recognition of their role in the success of DYC in the Port Dalhousie

harbour & an open house with an "explosive" cannonade (literally) by our dear member John Young.

Under very normal conditions we were evolving as a board & membership. Fund raising was King & we managed to involve most of our membership with full influence from Roberta Fitzsimons in various events held throughout the year. Roberta we miss you. There were no cash reserves and upgrades were beautification at best & Brutus of course! However, we developed a strong member following both old and new. This is a priceless asset for a club.

Roll in 2014 - business as usual at DYC, money is tight and the Flag and board do their best to keep it all together – that's their job right! Things get a little trickier in 2015.

2015 – the DFO, Department of Fisheries and Oceans, closed the piers to all traffic due to major structural defects – Let the games begin!

2016 - was good and bad. The bad first – the whole North shore boating community thought DYC was closed along with the piers and in fact, so was Port Dalhousie which reflected the major changes in our town with many restaurant and store closures. The good news was the DFO rewarded the 1st phase of the pier rehab to Rankin Construction, replacing the sheet pile wall in front of the club. DYC begins to rebound.

2017 - Then the water rose... Even in shin deep water DYC was developing momentum – D dock was transformed with new pilings, a carefully placed crane block gave us a new roof for the Harbour Office & a new above ground fuel tank project was underway. Big changes for a small club. But we had major trouble – B dock, our newer investment dock had failed in a extreme ice build-up that winter & what was left of it was submerged and caused a significant delay to our spring launch. It was devastating on so many levels.

2018 - Somewhere in all this havoc a core group of members started a grass roots revolution to take back these docks & successfully raised them, to a suitable condition through December & January ... well fed on homemade soup & chili of course! East side washrooms were renovated from high water damage.

2019 - the water rose higher...skids were secured to the white safety railings in front of the club in order for boats to tie up, and the club house was sandbagged. Launch was delayed, but willing boaters stood in rubber boots in flooded C yard to assist their boats - could it get any worse!!!

2020 – Oh yes it can! Covid arrives in Ontario. Volunteer members continue unphased & a dismantled travel lift arrives on site! The future awaits and they are all over it.

The Foxes go digital and put The Sunset Dining Room on the map for a go to for local take-out. Covid provides us access to an expansive patio to appreciate our stunning location.

2021 - I can't begin to explain the countless hours & effort put forward during this winter to make the Travel Lift the reality it is today. The volunteer effort was of legend proportion & was integral in saving this club.

May 2021 – Inaugural Launch – what could be more fitting than North Caught to be the first boat splashed on this historic day. Congrats Wendy Northcote!

2022 – Covid restrictions are lifted. The weather is perfect... the water level stable (for now) & pier construction is complete. We take off!!! Val Jack is ready with a stellar cruising schedule. Learn to Sail returns with weekend sailing lessons off the beach. What a heartwarming sight on a busy Saturday in Lakeside Park. Wednesday night racing is ramped up. Dock upgrades plus the completion of concrete walkway & removal of fencing on Lakeport access to Lakeside Park & Lighthouse Road, polishes our look & new boating members arrive & keep arriving.

The clubhouse is spruced up with many infrastructure upgrades including hardwood flooring from entrance to lounge. People take notice & our Social Membership explodes! The Flag & Board work to full capacity to capture the energy of the renewal of DYC. What a great job they did!

We have been here for 85 years! We have weathered many storms and will weather many more to come. It has been my honour to be part of DYC and my reflection on the last 10 years only captures such a small portion of the effort & energy put into our club by members.

As I heard recently, it's because we as members all have something in common no matter how different – we love this place!

Barb

Dining & Entertainment Director's Report . . .

By Genevieve Hunt

food@dalhousieyachtclub.com

Great News! Wednesday Night Euchre will return AND new to DYC a Darts League! Anticipated start is this January. Watch for more information coming soon.

Tis' the Season and if you haven't booked your reservations for the DYC Christmas Party December 10th, and/or what promises to be a gastronomically delightful six course dinner and wine pairing for New Year's

Eve - please do so by calling the restaurant 905-934-8325 x22. Bring your friends, book a table and join the festivities!

Santa comes to town with a landing at DYC for the annual Lunch With Santa on Saturday December 3rd. Please RSVP as soon as possible for a fun family event!

Wishing all a lovely and safe holiday season!

Genevieve

Message from Infrastructure . . .

By Jeff Newkirk

infrastructure@dalhousieyachtclub.com

We are beginning the process of developing short term, mid-term, and long term planning for our Infrastructure at DYC.

The first step is logging all of the bits and pieces around the club, the big and the small, so that we can determine life expectancies and realistic replacement timelines, as well as making sure there are appropriate maintenance plans in place so that we get the most out of all of our assets. This will allow us to develop a framework for expected costs, and to allocate funding for improvements and upgrades as we go forward.

The largest, and most important part of our Infrastructure are our docks. We cannot be a strong and vibrant Yacht Club, if we don't have docks! Dock planning requires a specific focus to work on design and layout, and to evaluate the options presented to us by various vendors in the field.

While all of this planning is happening, the club and our facilities continue to be used and age, so immediate attention to repairs and ongoing maintenance needs to continue. With three different focuses for our infrastructure, we have 3 different Committees operating to assist in planning/coordinating. For each committee, we would like to have a combination of Board Members and Club members, so that we have a greater collection of voices directing us forward.

Please reach out to me if you are interested in joining the Infrastructure Planning Committee, the Dock Replacement Committee, or the Repair and Maintenance Committee. I received a few names at the AGM, so am looking for 2 or 3 more individuals for each of the Committees. We will try to get rolling promptly with an introductory meeting in December for the Dock Committee and the Repair and Maintenance Committee. The Infrastructure Committee will have their first meeting in January.

Jeff

Welcome Aboard New DYC Members

Membership + Communication . . .

by Claire Camden

membership@dalhousieyachtclub.com

Hello everyone, as your new Membership and Communications Director, I only have had one inquiry for Full Boating Membership this past month.

This is a slow time of the year for Membership Applications which gives me more time to learn Board procedures and Microsoft 365. My partner Chris, bought me an easy step by step book to follow that I will be working on during the Christmas Holidays.

We recently attended "Illumination Night". Thank you to all the volunteers who did a fantastic job in decorating our Club House.

A friendly reminder to pick up your Membership cards at the office if you have not done so already. Or they can be picked up in the restaurant when the office is closed.

Thank you to Thom and Patti-Jo for your ongoing support and assistance in helping me merge into my new position. Merry Christmas and Safe Holiday travels to you all.

Cheers, *Claire*

Learn to Sail . . . LTS

by Marion Markarian

sailing.school@dalhousieyachtclub.com

Following a successful introductory Learn to Sail season last summer, we are looking to expand our program in 2023. To promote the sport of sailing and sailing skill development, we plan to offer programs taught by qualified instructors following CANSail curriculum.

We are planning to hold sessions on the weekends in June, with full day camps for Youth (ages 7 – 11 and 12 – 17) in July and August. Additionally, we hope to be expanding our adult keelboat Learn to Sail to two evenings a week.

Lots of planning still to come.... but one of the first steps in the process is to hire qualified instructors.

Job postings for both the Head Instructor and Instructor have been set up on Indeed and can be found following these links below.

Head Sailing Instructor

St. Catharines, ON

<https://ca.indeed.com/m/viewjob?jk=3007bfb09e2e7f1c&from=native>

Sailing Instructor

St. Catharines, ON

<https://ca.indeed.com/m/viewjob?jk=d744eefddec86b7&from=native>

If you know someone who might be interested, please let them know that DYC is hiring for 2023!

Marion

DYC Racing . . .

By Sean Furniss

racing@dalhousieyachtclub.com

Hello DYC,

We've been making headway already. I'm happy to report two items of progress;

1) the racing calendar is done and will be confirmed by December 1st and

2) we have 2 volunteers for Race Committee (Josh Kratynuk, Kevin Servos). Josh's priority is to race, so if a few more people volunteer and we can organize the RC, maybe we can also get Josh racing.

Please reach out and let me know if you would like to be apart of the racing group at DYC without the racing part. We have a great group of peeps and some how we always have a great time.

I've added a new race for next year as well, the Commodores Cup, which will be a distance race following Sailpast. This race will be included within the Distance Race Series to bring our distance races to 8 total, allowing for 3 drops. This will allow people to continue to enjoy summer "other things", while still being competitive in the series overall.

I will communicate the full schedule in the next few weeks, so please keep an eye out. If you wish to be included in the Racing Communications please let me know. If you're not receiving them, you're probably missing out.

I'm beginning to plan and get things in place for the Race Banquet January 14th. I'm looking forward to getting back together with my racing brethren.

I hope everyone is well. I wish you and your families a Merry Christmas season and the best of health.

Best,

Sean

Come join us in the
Sunset Dining Room
this Christmas Season!

Yard Reminders

In Order to Keep All Our Boats Safe
Please . . . If you are in the yard,
take a walk around.

If something is out of place, let us know.

Several boats in storage near Simcoe, Ont. caught fire Sunday night, 2019.

Only keep your boat plugged in if you are present in the yard.

Please either take your batteries home, take the cables off your battery or use solar panels to trickle charge your batteries. A short will be devastating for all boats.

Please lock your ladder to your cradle or jacks when you leave the yard. We do not want to have any unwanted visitors, boarding any boats. One unlocked ladder provides access to all.

Please check your boat covers, ensure they remain tied securely. This will ensure they do not start flapping in the wind, causing abrasions on other member's boat hulls.

Lastly, please lock the gate behind you, if you are the last person in the yard, regardless of the time of day.

Many thanks ~ from each of us.

From Our DYC PHRF-LO Officer . . .

by Chris Turner

racing@dalhousieyachtclub.com

At this time of the year the PHRF-LO office in Toronto requests each Club to forward the results for the championship Wednesday night races, so that they can review and update the PHRF Ratings on your boat. As a member of PHRF-LO, at DYC, we are happy to fulfil this obligation, in the interest of better, more competitive racing on Lake Ontario and more specifically at Dalhousie Yacht Club.

For those who are new to this sport, all boats "are not made equal", so in order that we may have competitive racing, PHRF- LO (Performance Handicap Fleet Racing- Lake Ontario) provides each boat with a rating that is worked out based on all the performance data that has been accumulated over the many years this organization has been in existence. The Lake Ontario branch is specific to The Lake and is one of many that operates in North America, as the conditions and the type of boats sailed vary.

I encourage anyone who races to apply for a PHRF certificate for the upcoming season. Your fee contribution helps maintain this important organization, so that DYC can continue to conduct racing on our little section of the water.

This past season, we registered 15 boats with PHRF-LO and while not all boats raced every week, for the first full season without COVID, we generally had a good many on the starting line. In past years, we had 20 plus and in the "good years" 30 plus boats active in racing.

We all hope we can get back into this mode and to that end, we encourage anyone who is even mildly interested in this great sport to "give it a go" in the FUN RACE Series held on Tuesday evenings and Sunday mornings. It's an ideal way to not only get out on the water more than once a week but also to improve your sailing skills, enjoy sailing with a group of friends as crew and meet a whole new group of fellow Club members. Just think of the new stories you can tell of your adventures, on and off the dock.

Best wishes to all for a safe and happy holiday season!

Chris
