DYC Sail Past

Saturday, June 17 ~ 3 p.m.

Rain date Saturday, June 24

All members are welcome and encouraged to participate in this event!

If not on a boat, on the patio.

Join the camaraderie

and

festivities on the Sunset Patio.

There will be dining on the patio for members and their guests.

Reservations are required.

Call 905 934 8325 ext. 22 or email reservations@dalhousieyachtclub.com

Registration required by Wednesday, June 14th

In order that your boat and crew can be acknowledged as you sail past and salute the FLAG.

Tradition dictates that all club members participate in the Sailpast, on their vessel or from shore. Good manners require that a member unable to participate will send his/her regrets to the Commodore.

General plan: listen to via VHF radio - channel 68

1. The fleet assembles outside of the piers at 15:00 , east side or west side, weather dependent.
2. The Commodore's vessel will circle the fleet at 15:30 and Reverend Karen Orlandi will conduct the Blessing of the Fleet, followed by a brief speech from the Commodore.
3. The Commodore's vessel will return to the harbour and moor at the patio in front of the Clubhouse, while the fleet waits for the signal to begin the parade.
4. The fleet then parades into the harbour (three boat-lengths apart).
5. Continue up the west side of the harbour and round the temporary marker in the channel to port.
6. Salute flag on the starboard side, as you travel down the east side of the channel.
7. Continue back out of the harbour and wait until the last boat in the fleet joins you out on the lake before returning to your dock.

Commodore's Report . . .

by Leigh Brown

commodore@dalhousieyachtclub.com

Good Day DYC Members, Families and Friends,

The start of the boating season has brought so much life back to our yards and on our docks. I hope you've all had a chance to enjoy some early summer weather, either on your boats, or maybe on our Sunset Patio. Just like the water levels in our harbour, there are many moving items that I would like to share with you and hope that we can get your support on.

West Side Washrooms - The larger temporary double washroom trailer will be replaced with a single washroom trailer, to get us through the last push to complete the WSW. Hopefully this will not be for long, but that will depend on getting your help to finish the new washrooms. Please keep a close eye on your emails for requests to help. So many of you have already been out a few times now, but there is still lots of finishing work to be done. If you haven't yet volunteered and you have some basic skills working with tools and home renovations, tidying the workspace, then come out and help our Lead Volunteers for Electrical, Plumbing and General Carpentry.

Security - As you are aware, we are a yacht club with docks and yards that are quite open to the public. It is not uncommon for there to be some unwanted visitors onboard while we are away. These are more typical for the very beginning and end of our seasons when fewer people are around. This year we have experienced something uncommon with a number of break-ins all along the harbour edge from cars, to boats and buildings. We believe these were all related and have been handled by the NRPD.

Our safety and security is a priority to all of us and I believe we are all working together to find the best solutions possible. WIFI in support of security cameras has been raised by many and there is a committee working on a longer-term solution, however the previous setup, although not very fast, was something and is being reinstalled once the West Side Washroom is at that stage (very soon).

Our floating docks do require constant attention due to the changing water levels, please report anything you feel needs attention or that you have attended to, to the harbour office, VHF 68, or by calling (905) 934-8325 ext. 24. Leave a detailed voice message, if staff are serving other members when you call, or you can always send them an email if you like to harbour.office@dalhousieyachtclub.com.

Now on to more fun and enjoyable topics. Our social events have continued to bring new and exciting entertainment. I'm excited for our Sail Past, please register your vessel and reserve a table for the dinner event following the parade through the harbour. Sunset Sailing will begin soon, keep an eye out for your opportunity to either host or be a guest for an evening out on the lake.

Thank you all for ALL your investment in time, effort and skill sets. It is amazing what we have here at DYC, fantastic views, delicious dining, Youth and Adult sailing programs, but most impressive is how all of this is done by our membership. Special thanks to my Flag, Officers, Board, Committees, Staff and all the many, MANY members who sign up and join in to get it done! Yes, I'm talking about you, you know who you are, thank you. 😊

Leigh and Leiah

Vice-Commodore's Report . . .

By Patti-jo Chambers

vice.comm@dalhousieyachtclub.com

With Sailpast right around the corner, the excitement builds for the season to kick off officially. Be sure to register by June 14, if you plan to have your vessel in the boat parade, to ensure proper introductions are announced by our Master of Ceremonies, for the members and guests on shore. If you decide at the last minute to join in, we'd love to have you. All members are welcome to attend on shore. Be sure to make your reservation for the Sunset, as well!

Many of our members have volunteered a great deal of their time to get our Westside Washroom completed and it is looking amazing! Members please be sure to make your time count, as we are compiling approximate hours our members have invested to keep our club running well and looking great. As we all know, DYC is a volunteer run club and I think it would be interesting to know at the end of the season just how many hours our members share of their time, expertise and energy. It would be shocking, I think, to also roughly calculate the cost savings to all of us. If you've offered some time and energy, however that looks, please let me know, everyone's time is valuable.

With so many new Full Boating Members joining our docks, I'd like to remind everyone how tight it can be on the west side when leaving your dock or coming back to your slip. With the ever changing current and the breeze, at times it could get very difficult to manage coming and going with two boats aiming to move at the same time. I'd like to suggest, when you are still in the channel and returning to your dock to take a good look when entering that tight area. If any vessel is backing up, on their way in or out of their slip, just wait in the channel area safely, giving that boat in A and B docking area the space needed to maneuver around.

Lastly, as Leigh mentioned when you are walking the docks, keep a sharp eye out for pinch points of your extension cords, missing lynch pins on the end of the dock pins, dock chains that are too tight, and tires that fend off the dock that are too high or too low. Please address it or let us know.

Looking forward to seeing you on the docks and out on the lake,

Patti-jo

Salmon Project ~ Game + Fish Association release 60,000 baby salmon from the pens at our docks. Hopefully they will return as thirty pounders in three years. It was a huge success!

**Harbour Office Hours
Currently 7 days
9 a.m. ~ 9 p.m.**

**Remember:
Parking is always available
on the east side of the
channel.**

**The HO staff will happily
shuttle you across,
when they are available.**

**You can reach our HO by
VHF 68
Or 905 - 934 - 8325
ext. 24**

Docks & Digital Report . . .

by Thom Hounsell

docks@dalhousieyachtclub.com

Many Eyes - App for That

As water levels change, our floating docks in particular need everyone to have an eagle eye. Please report any concerns you have regarding the docks or their intersections with water and electrical lines. The easiest way to make a report is by using the new members' app. The app includes a "Report Issue" function that lets you snap a picture and will record your exact location. So, with the app, minimum typing is needed to report a problem.

Whether you use the app or not, please report any problems you find as soon as possible.

In other IT news, I'm happy to report that uptake and usage of the app has been quite strong and feedback from members has been very positive. If you're hearing about this app for the first time and you would like to be enrolled as a user, please let me know. (Note: you need a gmail, microsoft or apple email address to use the app.)

I look forward to seeing you around the docks or better still, on the water.

Cheers, *Thom*

LTS Directors Report . . .

By Marion Markarian

sailing.school@dalhousieyachtclub.com

We are excited that June is finally here! Our Saturday (ages 7 - 11) and Sunday (12 - 17) Learn to Sail sessions start with an eager group of 18 kids sailing out of Port Dalhousie Beach. If you are down at the club swing by and see the junior sailors in action!

Unfortunately, we have had to cancel our Adult Keelboat lessons for the month of June. DYC is working towards compliance with Sailing Ontario, Sail Canada and Transport Canada regulations in order to provide all learners with a quality sailing program. Some of those requirements are taking longer to accomplish than anticipated, but we are hoping to have everything finalized for July.

Our July and August camps are all set to go. There are a few spots left in August so pass the word around. Happy sailing, *Marion*

Membership + Communication . . .

by Claire Camden

membership@dalhousieyachtclub.com

Hello Dear Friends,

Membership Count as of May 15, 2023 -
97 FB and 123 SOC = 220 members in good standing.

Our Membership continues to grow and our Docks are filling up!
Hats off to Thom Hounsell, our Dock Chair. Well done!

We welcome our DYC's newest members:

Social Gord Bretson

Associate
James Low
Brent VanMoorsel

Denis Blais + Tom Dando
Jan Willem de Jong + Di Jia
Kati Li

Kyra + Matt Zeldon

Full Boating
Janice + Roy Kern
Milana + Brandon Simon

U. S. Customs and Border Protection. If you plan on sailing in US territory, please have your US decal posted on your vessel outside near the companionway to avoid fines. Register online: decals@cbp.dhs.gov Cost: \$32.62 this year. They will mail the decal to you. If you visit before getting your decal, you can show your proof of purchase receipt.

Fellow boaters, if anyone is looking for Crew, please let Marion and I know, as we know of a few members who have had their Adult LTS program for June cancelled due to regulations that we are in the process of rectifying. We are reimbursing their registration fee and they will be given an Adult LTS Complimentary Membership until August 31, 2023. We would like to keep their interest in sailing and have them on board our boats, so that they may learn, and possibly re-apply at a later date. If you'd like some extra crew that are keen to learn, let us know.

It is time to decorate your boat with flags, pennants, DYC burgees or whatever you fancy for Sail Past! On Saturday, June 17, please join us for the Blessing of the Fleet.

Looking forward to meeting new members in person.

Sincerely, *Claire*

If Your Vessel is 30' or More In Length and you plan to travel in USA Waterways,
you'll need to [apply for a DTOPs decal](#).

As well, be sure to report your arrival at the port of entry or
you can even do that ahead of time from your slip, using the [CBP ROAM app](#).

**DYC Cruising Co-Ordinator . . .**by **Sandra Chave**cruising@dalhousieyachtclub.com

DYC Cruise to Island Yacht Club was a really fun time had by all. Winds could not have been better for us heading to and from the Island. A total of 5 boats made the journey, Chi Chi Maru, Didgeridoo, Miss Guided, Stir Crazy and Spartan.

We arrived on Saturday, most of us cold and a little wet, but we had dinner at the Club House, and sat by a wood burning fire in nice comfy area afterwards while discussing our voyages and what we did not pack.

On Sunday morning, we woke up to warm sunny skies. Chi Chi Maru hosted a morning Nespresso party. The caffeine boost was great! After saying goodbye to Miss Guided, we all took the shuttle to the mainland and had a lovely stroll to St. Lawrence Market for lunch and additional provisions. After returning to the club from the shuttle, everyone had an afternoon siesta and Spartan arrived. When we were somewhat rested, we all played Left Right Centre and Mexican Train. Chi Chi Maru Captain barbecued Cheeseburgers in Paradise and corn, to accompany the delicious salad and dessert contributions to the potluck from the cruisers.

On Monday morning, we had a repeat of Saturday morning Nespresso's and prepared to return DYC. We all enjoyed the hospitality of IYC. Thank you DYC members for joining my first cruise with DYC. I really enjoyed spending time and getting to know everyone, who I now consider friends, not members. I'll be looking forward to the next cruise.

Remember there are 2 cruises that are not full yet.
National Yacht Club July 28, 29, 30 and Etobicoke Yacht Club August 5, 6, 7.

Please go to the [club calendar to register](#), if you plan to join us for Club hosted cruises. Also, please remember to cancel your reservation, so that a wait listed boat can participate.

Where	When	Event
Island Yacht Club	May 20, 21, 22	Sip & Paint done
Royal Canadian Yacht Club	July 1, 2, 3	TBD
Queen City Yacht Club	July 15, 16	Sip & Paint
Fifty Point Yacht Club	July 22, 23	Cooking with Tri & Sandra
National Yacht Club	July 28, 29, 30	Blue Jays Game
Etobicoke Yacht Club	August 5, 6, 7	Mexican Train Challenge

Sandra

First DYC Club Cruise ~ Island Yacht Club

WHAT WE LEARNT ON OUR EARLY SEASON CRUISE ~ Chris Turner and Claire Camden

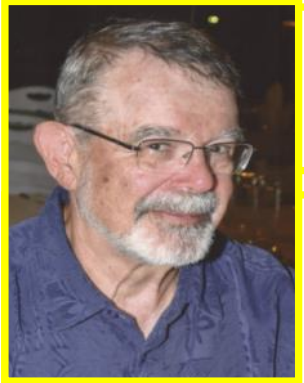

In mid-May we joined our fellow intrepid sailors (May is cold this season) to travel to the Island Yacht Club on the Toronto Islands. The following is a list of the items **we missed** taking to this event.

- A micro heater. It gets cold overnight. Even with the heater we borrowed from Doug and Patti-Jo, our homemade block ice in our cooler easily lasted 3 days. Thanks to the Chambers, we were able to dry our clothes and sleep soundly. We were envious of Doug's Turbo diesel heater (Home Improvements-Tim the Toolman Taylor has nothing on Doug's innovations).
- Prior to leaving, make enquiries as to the "musical" entertainment adjacent the mooring you are visiting. If your tired after your journey and you wish to go to bed early, you may be surprised.
- Don't assume there will be cooking facilities on site. Very important if all you packed was food to be cooked over a flame. Check if the Club has operational BBQ's or a restaurant facility early in the season. Some Clubs are busy with boat and dock launch and haven't had the member interest that early in the season. We were appreciative of a very accommodating vice commodore.
- Waterproof your hatches. Early in the season you may not have had the chance to check the damage to the seals over winter. Nothing worse than sleeping with a small water drip over your head or on the dry clothes.
- Pack a covid mask to reduce the number of midge flies you ingest during the mid lake no wind event, even in the pouring rain.
- Carry waterproof gear including shoes or boots that will remain waterproof over an extended period.
- Pack warm clothing including a wool hat, scarf, socks and gloves. You will need plenty of socks and gloves in case they get wet, from lake water and from sweat. Clad in layers for the different conditions you will encounter during the passage.
- Pack a table cloth for the meals on shore. Clubs don't provide cloths unless they have a very attentive staff or vice commodore that is available on site.
- Use thermos flasks for the voyage so you have hot drinks or soup to keep your inner self warm
- Hair dryer. Not all Clubs supply one or it may be too early in the season for them to have their washrooms and Clubhouse fully operational.
- Include sanitary wipes, scrubbing brushes, soap and washcloths to clean the boat after the midge fly invasion.
- If you go anywhere near civilisation and you intend shopping, it usually involves a walk; pack good walking shoes, layers of clothing and a shopping bag or better yet, a small backpack.

Just as a suggestion for DYC and our constant fight with Canada geese poop on the grounds and on the docks. We should invest in getting a couple of peacocks to roam the premises; they are territorial and will scare the geese away. I know where we can get chicks!! We can even winterise the birds to stay with James in the Junior Sailors Building.

At the end of the day, we thoroughly enjoyed the cruise. Our thanks to Sandra and Tri who organised and ran the trip and warmed us up in the mornings with the Nespresso coffee at 0830.

Looking forward to our next cruise where **we will try** to be more prepared.

History Matters . . .

Dining & Entertainment Director's Report

By Genevieve Hunt

food@dalhousieyachtclub.com

What's on at DYC

Social events.....

DYC was certainly 'alive with the sound of music' on Saturday night, May 27th. Many enjoyed the new menu offerings on the patio and then later in the evening, moved indoors and were dancing to the sounds of Not Going Quietly - the band held true to their name! It was good fun and we're looking forward to having them back in the Fall-Winter.

Acoustic Thursdays are back at DYC beginning June 8 and Thursdays following until September 28th. Come out to enjoy a bite on the patio and watch the sunset to live music with Abe Bergsma, Robert Alfieri and Jacob Stirpe.

You won't want to miss East Coast Night. Please mark your calendars for Saturday, July 15th with a special menu by Fox Foods and live music by the Flailing Shilaleighs! If you attended last year you know it's a must attend for delicious food and fun entertainment.

Fingers crossed good weather will prevail for Sail Past on June 17th, with a rain date of June 24th.

Enjoy the sunshine and we look forward to seeing you soon!

Genevieve

**DYC Racing . . .**

By Sean Furniss

racing@dalhousieyachtclub.com

Hello DYC,

I love being a member of DYC so much! What a great club full of great people.

The Race Committee team is building, and we can always use a few more people. Please let me know if you can lend a hand in a very critical part of our racing fleet. The greater membership may see a few more emails from me and I appreciate your understanding in helping us grow racing at DYC.

We have our very cool Wednesday racing series continuing though the month. Plus, we have our other awesome weekend premier racing;

June 10th: Lady Skippers Race

June 18th: Commodore's Cup

We continue to work on a Crew Registration page, and I really believe this will help us connect crew with skippers in time. Having said that I do have 4 emails and will continue to try to get you on boats.

If we haven't had the chance to chat, please let me know how we get you out racing.

All the best and hope to chat soon,

Sean

Your DYC Race Boat Committee ~ Josh, Jason, Lloyd and Kevin
