## Commodore's Report . . .

by Leigh Brown

[commodore@dalhousieyachtclub.com](mailto:commodore@dalhousieyachtclub.com)

I think it takes a strong team to allow any board member to do what we do, and so I would like to post Leah and I together.

Thank you, I don't know what else to say. I am truly humbled, of all the nominees, you chose me to take the next shift at the helm as your Commodore. All kidding aside, I appreciate the importance of this position and hope to do you proud, those who have held this role before me, my new flag, officers, directors, assignees and the entire DYC membership... no pressure Leigh.

Honestly though, what a turnout at the AGM and with the year we've had, its no wonder so many of you come out in support and to learn more. I want to thank Lew for all the great work he and Richard Nowina have done these past few years and remind him publicly here, don't think I won't zoom you into a call to help me through the early days of my term. That said, looking at this years board, I know we are all in good hands and can expect more great years ahead, like the one we just had.

Let's keep the momentum going and stay social over the off season. Some of us may travel south for some time to escape the cold, but when we are not, make time to come home to DYC and enjoy some good food, fun events and perhaps a work party or two.

In fact, lets start by with our DYC 85th Anniversary Open House Celebration, November 19<sup>th</sup> 2022, drop in between 3 and 6 and celebrate 85 years of DYC history. More on that on page 27 . Can't wait to see you there.

Thanks and talk soon,

*Leigh*

## Vice-Commodore's Report . . .

By Patti-jo Chambers [vice.comm@dalhousievachtclub.com](mailto:vice.comm@dalhousievachtclub.com)

WOW! What a great turn out of members pitching in this past month. Thank you to all! And thank you Diederik and Cam for prepping the dock floats, dock water lines and DYC grounds. Last but not least, and Patti for keeping us all in check.

With prepping the well, writing multiple schedules, haul out days, on the tractor, moving cradles, tending to boats in the well, docks out, towing + stacking docks, bringing coffee + donuts, breakfast, lunch and dinner in the Learn to Sail building . . . lending a hand + jumping in when + where needed, without hesitation. We are a very fortunate club to be so blessed, to have you all so involved and still smiling at the end of some very long days.

Congratulations Lew on your new position, and thank you Tom for all you've done as Yard Chair, I've enjoyed working with you both, immensely! I am looking forward to working alongside Leigh and Jeff, in our new roles, with returning Board Members and of course working with the ladies, Claire, Genevieve and Marion. Three cheers for a great year ahead!

*Patti-jo*

## Rear-Commodore's Report . . .

By Jeff Mackie

As this boating season has come to an end I think back to 2019 when I joined the board and how much DYC had handed to it already. Little did I think that we were on course for a global pandemic and an additional 2 years of uncertainty, but what I have learned in the last 3 years is that this club cannot be held down.

To quote Bill Pullman in Independence Day:

**"We will not go quietly into the night! We will not vanish without a fight! We're going to live on! We're going to survive!"**

I am incredibly excited to start this next season as Rear Commodore. Much work has already been done to survive the 5+ years of unfortunate curve balls thrown at us. I believe that our current board is up to the task to ensure not just survival, but to thrive into the future. Cheers,

Jeff

## Membership + Communication . . .

by Claire Camden

[membership@dalhousieyachtclub.com](mailto:membership@dalhousieyachtclub.com)

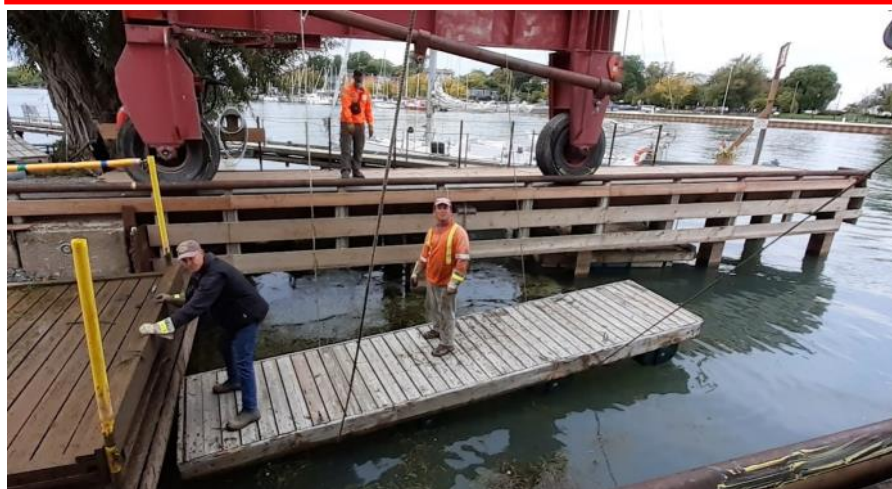

Hello, Claire Camden here. I am happy to be part of the DYC Board of Directors, as your new Membership and Communications Director.

I live in Vineland with my partner Chris Turner. We own a C&C 30 named "Didgeridoo" on B dock. I started sailing at age 52 and I am on my ninth year of cruising and racing on Lake Ontario.

I am thrilled to announce that I am retiring at the end of this year as a City bus driver in St. Catharines. This will give me the opportunity to have more time to learn my new position as a Director on the Board.

Besides sailing, I enjoy swimming, kayaking, pickle ball, cycling, skating, hiking, reading, cooking and playing bid euchre. Looking forward to meeting new Members at our beautiful Club.

## Dining & Entertainment Director's Report . . .

By Genevieve Hunt

[food@dalhousieyachtclub.com](mailto:food@dalhousieyachtclub.com)

I'm really excited to have been chosen as your new Director of Restaurant/Social Events, as I'm a huge fan of DYC having joined with my husband in the fall of 2019 as Social Members just before Covid put a halt on most activities, and this year marks our first as full boating members – on our C&C 27 Volare.

Now that things are fairly 'back to normal', I look forward to working with members to engage social interaction in the activities I learn from you, that you are most interested in as ongoing or being added.

As a director, I have lots of experience as a Property Manager participating, organizing and in Board Meetings. From a Social perspective, I've done a great deal of event planning on a large and small scale as a volunteer working with a hospital foundation.

On the home front I'm an enthusiastic host/chef who enjoys playing in the kitchen and a good evening of food, conversation, and laughter with friends. I golf when I can, take art lessons from one of our own members, and enjoy taking our Boston Terrier on walks along the local trails. I look forward to a busy and fun year!

as always .... *Genevieve*

## Learn to Sail . . . LTS

by Marion Markarian @dalhousieyachtclub.com

... have been sailing out of DYC for over 30 years as Wednesday night racing crew and now own, with my son-in-law, Chimo - a C and C 27.

I have been having a great time on the boat learning to skipper and teaching my friends, the Knotty Girls, how to sail and, this year, how to race. I think we are improving but, no matter the outcome we thoroughly enjoy our time on the water.

My other passion is rowing so the very best of weather days for me is calm in the morning for my single and wind in the afternoon for sailing!

I have been a Director for the St Catharines Rowing Club for the last 12 years with responsibility for the Youth Rowing program, so it is a natural fit to get involved with the Learn to Sail program at DYC. I'm excited to see how the program can grow over the next few years, helping to develop the skills of youth and adults, potential future members of our club.

We will be hiring instructors for our Learn to Sail program for summer 2023. If you are interested in being one of the DYC sailing instructor team, please contact me at [marion.markarian@dalhousieyachtclub.com](mailto:marion.markarian@dalhousieyachtclub.com) for more information. Please pass this invitation on to any others who might be interested.

When not on the water, I love to garden, cycle and travel.

*Marion*

## DYC Racing . . .

By Sean Furniss

[racing@dalhousieyachtclub.com](mailto:racing@dalhousieyachtclub.com)

Hello DYC,

With the season sadly over, I will begin work to:

a) compile results and plan for the Racing Banquet on January 14th, 2023 (mark your calendars) and b) plan for next year. Just as the sailing season quickly flew by, I'm sure winter will too.

I would like to thank 2022's Race Committee of Ellen Ann, Debbie, Josh and Lloyd. You did a great job! The work you do so we can race is very much appreciated. We cannot thank you enough.

Having said that, our Race Committee would like to step down. Josh has noted he is willing to help with RC. He also wants to race. As Race Chair, one of my goals is to get people wanting to race racing. I am looking for a few people to help with Race Committee. You must enjoy fresh air while sitting on a boat watching other boats. Any training you need will be provided. I'm looking for volunteers to come forward before the end of December and this will allow me time to find courses for you to take to ensure you're fully supported. The RC is also a great way to get out with the racers without racing and enjoy the festivities.

Other than me begging and pleading for Race Committee volunteers, things will be pretty quiet regarding racing between now and the Racing Banquet.

By the way, I just wanted to let everyone know I had a great time last season, I hope you did too, and the 2023 season will be even better.

Please don't hesitate to reach out if there's racing or sailing anything you wish to chat about.

Best,

*Sean*

## DYC Cruise Director's Report . . .

by Sandra Chave

[cruising@dalhousieyachtclub.com](mailto:cruising@dalhousieyachtclub.com)

Hello everyone. My name is Sandra Chave, and I am really looking forward to being the 2023/2024 DYC Cruising Director. I have big shoes to fill as Val did an amazing job.

My husband, Tri Pham and I decided to move to Grimsby 3 years ago, and then we decided it was time to move our boat Chi Chi Maru and become members of DYC. We have really enjoyed the club so far and have enjoyed meeting the members. Prior to joining DYC, we were members of Lakeshore Yacht Club for over 14 years. At Lakeshore Yacht Club, I was also the Cruise Director for many years and a member of the Board.

I look forward to arranging the cruises and introducing some new adventures. More details will be available in the next issues of the Breezes, as I have just taken on this role last week.

Currently there are 2 cruises booked.

August Long Weekend – Etobicoke Yacht Club

Looking forward to keeping you updated,

## Retiring Yard Chair's Report . .

by Tom Schulz

In Case You Missed It

Over the past two weekends we hauled out 58 boats, moved 5 boats in cradles and moved several boats on trailers to A Yard. This was accomplished without incident, owing to the good planning of our travel lift team and the participation of many Club members. Big thanks to all volunteers.

Also, personally as Yard Chair, I would like to thank all boat owners and their crew for your patience and understanding with the numerous adjustments made to the haul out dates/schedules. Given the fact that we were not entirely sure of how boats would fit into our yards, we were basically choosing which boats were to be lifted with about a one hour lead time. It seems most of you sensed and understood the ongoing complexity and were very accommodating. Launching in spring will very likely be in reverse order of haul out, but we are not giving a whole lot of thought to that process just yet.

Whatever your plans are for the off season, ie non-boating season, please keep healthy, safe and enjoy yourselves.

Sincerely; **Tom**

Re: Dalhousie Yacht Club 85<sup>th</sup> Anniversary Celebration Open House

Dear DYC Member,

On behalf of the Dalhousie Yacht Club, we have the pleasure of cordially inviting you to join us in celebrating our DYC 85<sup>th</sup> Anniversary Open House on Saturday, November 19<sup>th</sup> between 3 – 6 p.m. Our celebration will be held at the Dalhousie Yacht Club at 74 Lighthouse Road in St. Catharines.

Our event will be a meet and greet with Past Commodores, local dignitaries, membership and the public. Historical presentation, photo images, and displays will be posted throughout the clubhouse. A formal presentation is planned for 4 p.m.

Non-perishable food donations will be accepted and collected at the clubhouse door to be donated to Community Care. Also, we thought it would be fun if you brought along a photo of when you first joined DYC, put the year on the bottom with who is in the picture ~ we'll gather and pin these up in the hallway and hopefully fill the bulletin board with members. You can even begin to pin these up, when the clubhouse reopens Wednesday, November 9<sup>th</sup> at 3 p.m.

Dalhousie Yacht Club has been a large part of the landscape on the waterfront since 1937, drawing members from the community, as well as attracting visitors to Port Dalhousie, the piers and Lakeside Park. 2022 is the 85<sup>th</sup> Anniversary for DYC, the club continues to be member controlled and remains to be a tribute to the founders.

We are hoping that you join us for this momentous celebration!

Looking forward to seeing you there,

Sincerely,

Leigh Brown
