# Learn To Sail

2

Another Learn to Sail Season has drawn to a close, one in which more sailors were on the water than any other year! In the spring and summer there were 132 youth in the dinghy program and 40 adults in Start Keelboat Sailing, Basic Cruising and Adult Dinghy. A huge thank you to the instructors in all the programs who have made this year such a success. Ben Cox, Patrick Boulton, Owen Bungard, Madelyn O 'Reilly, Chris Treshak, Chris Hunter and Nick Lloyd- Davis.

Thanks also goes to our community partners who have contributed significantly to the program - Grant Joyce of the Joyce Foundation , the Navy League and Big Brothers Big Sisters. We look forward to continuing to grow that relationship next year.

It sure does take a lot of generous people to put this program together - James Desjardin for leadership and fleet, Leigh Brown for tech support, Tracey Cookson and Beth Loewen for media/employment postings, Rebecca Jacobs for can/bottle returns, all our members who pitched in to help with the Sailpast, Erin Fisher for the CPR course, and all our generous sponsors for the LTS T-shirt sales. And thanks to those skilled people who are going to work on our fleet to get it ready for 2026. I hope I haven't missed anybody because everyone who has contributed is so important to the program.

Spread the word that we will be looking for more qualified instructors for next year!

## Head Instructor End of Season Message

To all the members I haven't had the chance to meet, I'm Ben, your Head Instructor for the 2025 sailing season. This was my first summer at the Dalhousie Yacht Club, and let me tell you, the DYC is a place of pure magic. Watching the sunset from the patio of our incredible restaurant is something I'll never get tired of.

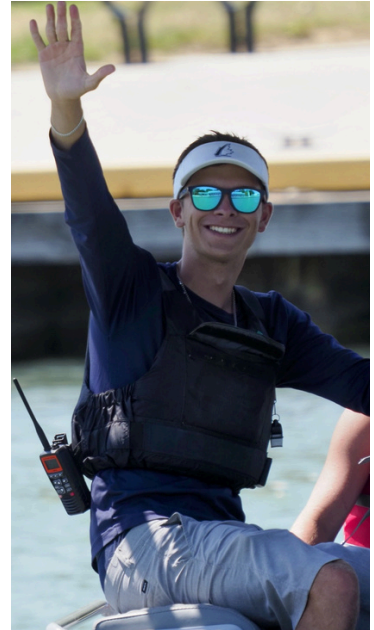

In Learn to Sail news, we had an absolutely stellar year. **We taught over 150 students, smashing our previous records!** Our partnership with the Navy League of Canada earned LTS a Certificate of Appreciation, and Big Brothers Big Sisters (BBBS) couldn't be more thrilled with our program. Most importantly, the Joyce Foundation and Grant Joyce provided phenomenal support. For those who didn't catch it, LTS had the privilege of using Grant Joyce's personal Highfield RIB for the season, which took our sailing instruction to the next level. Huge thanks to the Navy League, the Joyce Foundation, and Grant Joyce! Your support made all the difference.

I want to give a massive shoutout to my phenomenal team: Patrick, Owen, and Madelyn. Patrick, you're an incredible instructor, and it's bittersweet to see you step away from sailing to pursue graduate studies, wishing you all the best! Owen, this was only your second-year instructing, but your skill makes it feel like you've been at it for a decade. I'm pumped to work with you for hopefully many more seasons. Madelyn, our volunteer community instructor, thank you for dedicating your summer to LTS and then absolutely killing it as a full-time instructor in the final week. I also want to recognize our student volunteers for their incredible help and Chris Treschak for always keeping LTS hydrated and stepping up when we were short an instructor.

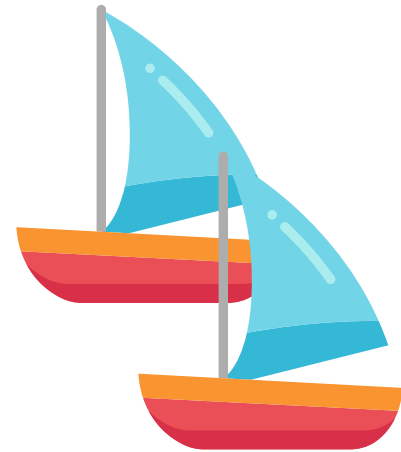

A special thank you to Marion and James for their tireless work in making this program what it is today. We wouldn't be here without them, and as we gear up for major expansions, their leadership is more critical than ever.

Looking ahead, LTS is in its strongest position yet! We have a record number of young sailors, and many LTS sailors ready and excited to become instructors. With the support we've got, we're prepping for a massive expansion: more instructors, more sailors, and more boats. In the next five years, I see DYC's Learn to Sail program rivaling the top Toronto clubs, a race team competing at Ontario's highest level, and, most importantly, bringing in many, many social and boating members (hopefully Kirbys) to ensure a thriving future for the Dalhousie Yacht Club.

Thank you for an epic 2025 season!

**Ben Cox**

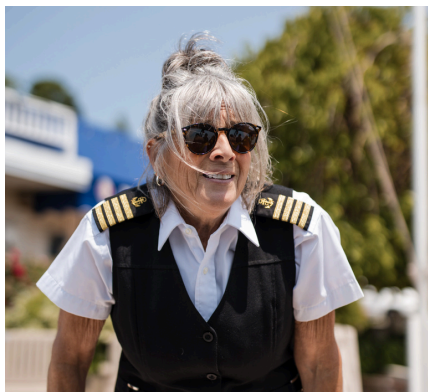

**Ben Cox**

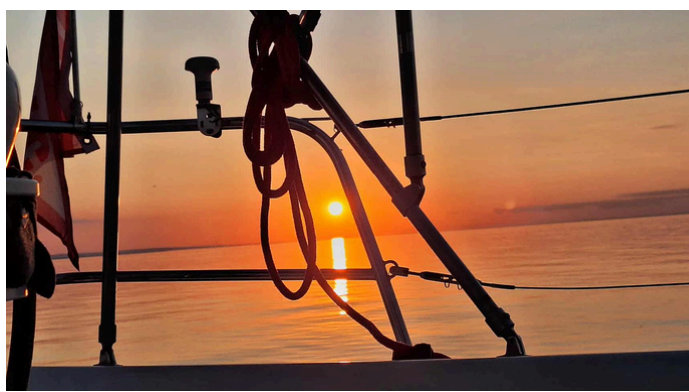

# WORDS FROM OUR BOARD

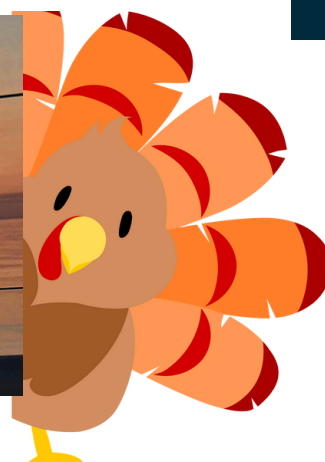

4

**COMMODORE:  
PATTI-JO CHAMBERS**

SUNSET VIEW ABOARD MARY O'REILLY

**HAPPY THANKSGIVING!**

## Happy Autumn Members,

October is here! What a spectacular end to the summer season it has been. Most of our Harbour Office staff has returned to school, the patio has begun to shrink in size, the yard is getting prepped to receive our vessels, the sun is rising later and setting sooner and the leaves are beginning to put on the final show, reminding us it's time to turn our focus to enjoying these last fleeting weeks before haul out.

What a whirl wind ending to August with Cornucopia, the DYC Easter Seals Regatta and our neighbouring Lock One Concerts. We've been working through reviews of successes and areas of improvement for LTS, Cornucopia Weekend, the DYC Easter Seals Regatta, Membership and Cruising. We continue to move forward with fine tuning the dock plan with Kropf Industrials, ensuring our requirements for permits with the city, and our insurance and bank loan conditions are met.

Please join us at our Member's Information night, Thursday, October 9th at 6:30 pm., when we cover Haul Out/Docks Out plans and procedures, we plan to update you on our Docks of the Future progress. If you haven't yet, Full Boating Members, **please fill out the DYC Winter Storage 2025 form** that was emailed to you this past Sunday. For those of you storing off site, please fill it out as well, to be sure we account for everyone. There are two questions that also address docking with us, in 2026.

With Haul Out planning, comes Docks Out, Marks Out and Pot Luck Planning to feed the crews. How exciting is that? Please watch for the call out for your assistance or reach out to any of the Board Members, to help make these days a huge success. Dress for the weather and be ready to lend a helping hand.

Time to consider If you would be interested in joining a committee or serving on the Board of Directors, please let us know. There's much to do and loads of work to share, we'd be happy to have you join us!

Several events are planned at the club to ease us into autumn. Frost Bite Race to finish the racing season, DYC Oktoberfest, Thanksgiving Dinner, Commodore's Ball, Racer's Banquet, and Illumination Night which all lead up to our DYC Christmas traditions of Lunch with Santa, Members Christmas Party and New Year's Eve Afternoon Leve. Reservations are needed to enjoy these fun filled events.

As always, I'll look forward to working alongside you in the yards, around the club and on the docks the next few weeks. Please reach out with any concerns you may have, we'll aim to address them.

*Patti-jo*

## Cruising

It has been an amazing year on the water — steady winds, good weather, and growing camaraderie. You really can't ask for much more in a cruising season. Great to hear our club cruising community is expanding, too! It was so great to see members join us for their first club cruise.

Next year's plan is already in place. Are you planning to stick with familiar routes or explore new horizons with us.

June 6 to June 7 Niagara on the Lake Sailing Club

June 25 to June 29 Royal Canadian Yacht Club

August 1 to August 3 Oakville Yacht Club

July 17 to July 19 Smugglers' Cove

Just a heads-up — Tri, Bubba, and I will be cruising in the 1000 Islands after the cruise to Oakville Yacht Club. If there's a club in the area that you enjoy visiting and you'd be interested in acting as cruise captain, let me know! I'd be happy to help organize the cruise and put everything together.

Looking forward to hearing from anyone interested.

# WORDS FROM OUR BOARD... *LAST SEASON FOR THE DOCKS!*

## Hello NYC

Do the years just keep getting crazier as I get older? Is it just me?

Docks of the Future is in its final stages of contract and design. Notwithstanding unforeseen circumstances, we'll set foot on new docks in the spring. A lot has gone into getting to where we are today, and I know the majority will be very happy.

**A-Dock will come out of the water on October 26**, and store in A yard. (more details to follow) We will begin breakdown, recycling and money recoup in the spring. Dock Assignments will begin early winter and communicated before launch.

I will try my best to make monthly updates to the membership on dock build. Feel good about this. Clubs only get so many chances to implement paradigm types of progress like this only so often. We're in a good spot to do this, thanks to the hard work of previous boards to build club revenues via multiple streams and spend wisely. Rob Taylor will be your Race Chair for 2026. He will have my full support, as well as the support of the racing fleet. I've enjoyed chairing such a great group of people. I will continue to organize Cornucopia for the near future. We've had 18 boats on the course for September Wednesdays. It's been a blast! Special thanks to the Race Committee. Great job this year.

I will communicate information about Darts late October to prepare for the 25-26 season. It was a great time last year and will be even better this coming season. I hope to see you all out.

DOCK CHAIR: SEAN FURNISS

*Sean*

## Website Members Area - Changes

We're making some important updates to the Dalhousie Yacht Club Members Area to ensure you can continue to access key club resources easily and securely.

Here's how to get started:

### 🔑 How to Log In

1. Visit [dalhousieyachtclub.com](http://dalhousieyachtclub.com).
2. Click the Log In button at the top right of the page.
3. You can:
  - a. Log in with your existing DYC Member account.
  - b. Sign up if you haven't created an account yet.
  - c. Reset your password by sending yourself a password reset email.
  - d. Sign in with Google or Facebook if you registered that way.

## LOG IN

New to this site? [Sign Up](#)

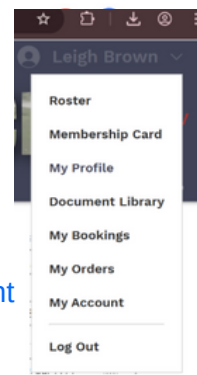

Email

Password

[Forgot password?](#)

Log In

or Log In with

## LEIGH BROWN PAST COMMODORE

### 📅 What You Can Access Once Logged In

Use the drop-down menu at the top right to navigate:

- Member Roster – Search by first name, last name, or boat name.
- Digital Membership Card – View and download your card.
- Your Profile – Review and update your contact info and preferences.
- Document Library – Access club bylaws, member handbook, and more.
- Your Bookings – See reservations for things like Officer of the Day or the mast crane.
- Online Store Orders – Review any purchases you've made.
- Account Settings – Change your password or manage login options.

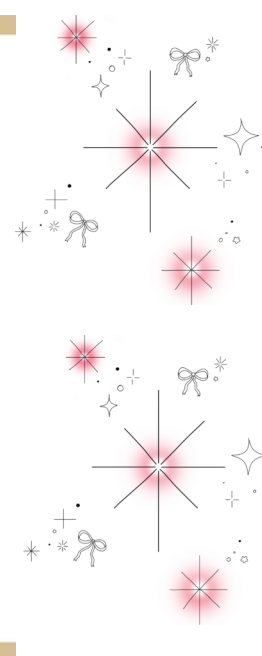

### 💬 Need Help?

If you're having trouble logging in or finding what you need, join us for our upcoming Information Night for a quick walkthrough. Or feel free to email me directly—I'm happy to help one-on-one.

Thanks for your patience as we improve your online experience! *Leigh*

# WORDS FROM RACING EVENTS...

8

## LOSHRS Race Weekend at DYC

Dear Harbor Staff, Sunset Dining Room Team, and Fellow DYC Members,  
When I moved our boat to DYC, I was happy to volunteer to support shoreline activities for the LOSHRS Race to DYC. This past weekend, our club proudly hosted 50 boats and welcomed over 100 racers and guests.

I understand it can feel like the club is being taken over during big events like this, but please know that the LOSHRS weekend not only brings valuable revenue to DYC—it also shines a spotlight on everything that makes our club so special to future GTA visitors and racers.

The Sunset Dining Room was at full capacity, and the bar stayed lively all evening—proof that everyone was having a great time! The LOSHRS committee sources all breakfast ingredients locally, and this year we were proud to feature 13th Street Winery, Balzac's Coffee, and Lokanta Mediterranean Food.

Even though the wind wasn't on our side, the racers thoroughly enjoyed themselves. Many say this event is the highlight of their season, and they're already looking forward to returning next year.

Thank you all for your support, patience, and enthusiasm throughout the weekend. Your efforts truly made this event a success.

Warm regards,  
Sandra Chave

# EASTER SEALS

VOLUNTEERS MADE THE DAY

YOUR DONATION MADE A DIFFERENCE

The Easter Seals Regatta was more than just a success. It was a beautiful reminder of what happens when a community comes together with heart and purpose.

I am still overwhelmed by the generosity, spirit, and energy that filled the air. From our dedicated volunteers to our passionate members, every single person played a part in creating something magical. And the result? Not just one child, but three children will get to experience the joy, freedom, and adventure of Camp Woodeden this summer. **DYC raised over \$8000 through membership donations and generous sponsorship.**

*thank you*

We saw it in the smiles, in the laughter, in the way kids' faces lit up with possibility. That's what your support made possible. You didn't just donate, you gave memories, friendships, and a sense of belonging that will last a lifetime.

And a very special thank you to our incredible committee members: Leigh Brown, Patti-Jo Chambers, Jim White, Margaret White, Al Crozier, and of course, Tom Schulz whose dedication and care made this day not only possible, but truly extraordinary.

From the bottom of my heart, thank you. You've made a difference that goes far beyond the day of the event.

THANK  
YOU

*from  
Leah Brown*

## WORDS FROM THE HARBOUR OFFICE...

### 🌊 Where Did the Summer Go? 🌊

As the sun sets on another sailing season, it's hard to believe how quickly the summer has sailed by. It was a hot one, but what an incredible season at Dalhousie Yacht Club! From the Harbour Office, we worked hard to keep the grounds shipshape—perhaps the best they've looked in years. I truly hope our members noticed the difference.

### 🚢 Volunteer Spirit Afloat

As I've said all season in the weekly Harbour News, the volunteer spirit of our membership is simply unparalleled. Time and again, when a squall of challenges rolled in, our members appeared on deck within minutes to lend a hand. From taming overgrown flowerbeds and re-seeding with grass, to painting, staining, posting new signage, and even adding number systems along the northeast channel wall—it all came together beautifully thanks to your steady hands at the helm.

### 🚢 Harbour Office Hours – Fall Watch

We've now entered the fall season, and the Harbour Office remains open seven days a week:

- Monday & Tuesday: 9:00am – 4:00pm
- Wednesday – Sunday: 10:00am – 6:00pm

As crew transitions, it will soon just be myself and Serena on watch. Serena's last day will be October 31st. Austin has returned to school, while Nicko and Evan finish their season on September 28th. Each of them worked hard and it was a true pleasure to serve alongside them.

### 🚢 Officer of the Day

A special salute to the members who stepped up for Officer of the Day duty this summer. This revived program was a huge success, especially during regattas and visiting fleet weekends. Your willingness to lend a hand made all the difference.

### 🚢 Welcoming Visiting Fleets

This season, we dropped anchor with visiting yachts from Ashbridge's Bay Yacht Club, Harbour City Yacht Club, Royal Canadian Yacht Club, and National Yacht Club. Their crews had a fantastic time here at DYC, and it was just as rewarding to hear about our members' warm receptions at their clubs. That spirit of camaraderie and fellowship is what sailing is all about.

### 🚢 Cornucopia Weekend

The Cornucopia Regatta and Corn /Pig Roast was a weekend for the logbooks! The turnout was incredible, the feast was plentiful, and the camaraderie was second to none. Thank you to everyone who joined in and made it unforgettable.

### 🚢 Easter Seals

Bravo Zulu to all who contributed to Easter Seals fundraising this year. Together, we raised enough to send two kids to camp—a remarkable achievement.

### 🚢 Haul-Out Reminder

It won't be long before it's time to haul the fleet:

📅 October 18–19 & October 25

- Masts-up vessels generally scheduled for the first weekend.
- Memberships must be current, and winter storage invoices paid in full.
- Be on-site by 8:00am and plan to remain until your vessel is secured. Many hands make light work—dress for the weather and come ready to assist.
- Mark your cradle clearly with vessel name (bow, stern, cradle). Stickers available at the Harbour Office.

### 📅 Member's Haul-Out Information Night

📅 Thursday, October 9th – 6:30 pm, in the Clubhouse

Important details and volunteer assignments will be reviewed. Highly recommended for all skippers and crew.

### 🚢 Dock Removals

Once haul-out wraps up, dock removals will commence. This is an all-hands evolution, and every volunteer makes a difference.

As we prepare to winterize and secure our fleet, I hope all members reflect on the fair winds and following seas we enjoyed this summer. It has been an honour to serve as part of this crew, and I've truly enjoyed meeting and working with each of you. Here's to another successful season at Dalhousie Yacht Club—see you on the docks!

## Winter Storage / Haul-Out Reminder~

Winter storage invoices were sent out the start of July and due August 1st. Your space in the yard is reserved with your membership in good standing and payment in full. Planning for haul out has begun, those dates are Saturday and Sunday, October 18th and 19th, well as Saturday, October 25th.

## Many hands make light work

Anything you  
have on your  
mind,  
we'd love to hear  
about it!  
You name it - we  
want to hear it!

We value our members and your  
feedback is important!

Please submit your comments,  
concerns, suggestions by email:

## For your Planning ~

Full Boating Membership is a  
requirement of storage. Looking  
further down the road, as a  
reminder for your planning, Full  
Boating Membership invoices for  
2026, will be sent out November  
1st. A \$500 dock deposit is  
invoiced as well, for the 2026  
season, all due December 1st. The  
balance due of your dock fee will  
be sent March 1st, due April 1st.
