## Commodore's Report . . .

by Leigh Brown

[commodore@dalhousieyachtclub.com](mailto:commodore@dalhousieyachtclub.com)

Welcome to 2024, a new year and with it, some new members joining me around the board room table. We assembled in January for the first time since our general meeting held in December and ran through each portfolio, reviewing the year to come. Please take a few moments to read through each of the director's articles to learn a little about our members and the plans, for what I'm confident will be another very successful DYC Boating and Social season.

Let me introduce who has been assigned each of the portfolios, and the flag officer supporting them:

**Commodore** - Leigh Brown

**Past Commodore** - Lew Holloway

**Secretary** - Officer, Dave Thomas

**Treasurer** - Officer, Paul Demare

**Club Office Administration** - Staff, Patti Fagan

**Harbour Supervision** - Staff, TBD

**Vice-Commodore** - Patti-Jo Chambers

**House** - Director, Brian Fulton

**Membership** - Director, Claire Camden

**Food, Beverage, and Entertainment** - Director, Genevieve Hunt

**Racing** - Coordinators, Sean Furniss & Chris Turner

**Cruising** - Coordinator, Sandra Chave

**The Breeze** - Editor, Patti-Jo Chambers

**Rear Commodore** - James Desjardins

**Dock** - Director, Sean Furniss

**Yard** - Director, Jeff Newkirk

**Learn To Sail** - Director, Marion Markarian

**Fleet** - Director, Barb McMullen

I feel so very lucky that our club has another great lineup of volunteers, from our elected officers and directors, appointed coordinators and assignments, not to mention our many members who consistently, give their expertise, skills, and time to ensure our membership's safety and enjoyment of the Port Dalhousie harbour we call home.

Please join me in thanking each other for the hard work we've completed, jobs underway and projects still to come. See you soon,

*Leigh*

## Vice-Commodore's Report . . .

By Patti-jo Chambers

[vice.comm@dalhousieyachtclub.com](mailto:vice.comm@dalhousieyachtclub.com)

Sincere condolences go out from all of us, to Patti and Paul Fagan, with the passing of her Dad, Bert Marton Lukacsy.

A warm welcome goes out to our newest Board members, Brian Fulton, Sean Furniss and Dave Thomas. They have already been extremely busy with their portfolios and keeping us all updated. Brian overseeing the kitchen reno, Sean preparing our "Docks of the Future" Request for Proposal to be sent out to vendors, as well as getting DYC's 2024 Racing plans in order and Dave keeping us all in line suggesting the best courses of action with contracts, our city lease and changing bylaws, as we plan for the season. Their expertise in their fields has proven beneficial in this short time already!

February, only 28 days, that sounds so good! March follows with dock assignments and the plans to launch in April, as it all begins to fall back into place. Dock deposits have gone out, so be sure to get your \$500 deposit and slip renewal in, as well as update any insurance info or contact info as needed by the end of this month, to ensure your dock. April 20th Docks will go in, followed by Launch on April 27 & 28, then May 4 and possibly the 5th, as a buffer, if needed. Remember the remainder of your full dock payment is due April 1st, as stated on your invoice.

Genevieve has set up some great evenings for us in the coming months, so be sure to sign up early if any of the events appeal to you. Fox Foods has changed up the menus. The new menus are included on pages 16 + 17. I'm certain there's something for everyone to try out.

As we prepare for dock assignments by Sean and his committee the start of March, we can look forward to new boating members joining DYC that are awaiting our shuffle, to fill empty docks. Our waiting list has been growing!

Sandra Chave, our DYC Club Cruising Coordinator, has been setting up our club cruises for the season. Be sure to check the March issue for her big plans and themes she's working on.

Many thanks go out to Ron Critchley, Brian Fulton and Jason Matsugu, for the many hours they've spent dismantling, mantling and rearranging electrical and plumbing in the clubhouse kitchen during the much needed renovation. As well as Barb, McMullen for securing the contractors needed for this job.

If you are interested in joining a committee, be sure to let us know what you'd be interested in. There is always something that everyone can pitch in on. Ask any of us!

Counting down the days . . . . each day done, is another closer to launch. *Patti-jo*

## From the Office . . .

by Patti Fagan [office@dalhousieyachtclub.com](mailto:office@dalhousieyachtclub.com) 905-934-8325 EXT 21

Our heartfelt appreciation to DYC Board of Directors and Members for the beautiful flowers and expressions of sympathy. We are so glad to be part of this great community at DYC!

### WINTER OFFICE HOURS UNTIL APRIL 2, 2024

WEDNESDAYS - 11 AM - 6 PM

THURSDAYS - 9AM - 5 PM

FRIDAYS - 11 AM - 6 PM

Invoices for DOCK DEPOSITS for our 2024 season have been emailed to you and are due the end of February. Please be sure to update any information such as insurance, boat info, contact info, etc. The balance of your dock fees are due April 1st.

If you haven't received your dock invoice, please contact me.

I will be out of the office February 21, returning March 13. During this period, our office inbox will continue to be monitored to address any inquiries or urgent matters you may have. Thanks in advance,

*Patti*

## DYC Secretary . . .

by Dave Thomas

[secretary@dalhousieyachtclub.com](mailto:secretary@dalhousieyachtclub.com)

I am your new Club Secretary, and as such a member of the Board of Directors. I can be reached at

[david.thomas@dalhousieyachtclub.com](mailto:david.thomas@dalhousieyachtclub.com)

I have been a member of DYC since 1996, and a sailor since 1982 or so. I was on the board for a couple of years, back about 20 years ago, and served as Membership Chair, and Dock Chair.

My role as Secretary will, I expect, be more behind the scenes – keeping track of what the board and the flag officers are up to; along with advising on things like the Club's charter, bylaws, and policies and procedures. Currently I am working on a review of our membership categories with a view to integrating them with our new bylaws and the charter updates required by the new legislation relating to Non-Profit Corporations. But I am open to helping out elsewhere where needed.

## House Chair Report . . .

by Brian Fulton

[house@dalhousieyachtclub.com](mailto:house@dalhousieyachtclub.com)

The Club welcomes Brian Fulton to the Board as House Director.

Brian has been a DYC member for almost three years now. He is a lifetime Hobie Cat sailor, but is actually new to keel boats. He took the role of member coordinator for the west side washrooms last year and played a key role in their completion along with several other club members. Our Commodore, Leigh Brown saw Brian's involvement in the washrooms and asked him to consider serving on the board.

### New Sign/Awning:

To everyone's delight, Jeff Newkirk installed a new awning/sign before the end of Calendar year in time for our New Year's Eve Levey. This sign was long overdue, so you will definitely notice the change on your first visit to the clubhouse.

### Kitchen Renovations:

Kitchen renovations were performed in the first week of January. This was a massive undertaking that involved removing everything from the kitchen, and then panelling the walls with a highly cleanable bright white product (Fibreglass Reinforced Product - FRP) and then applying stainless steel cladding in key areas. New stainless-steel shelving was installed, as well as a new stainless steel prep table. The club was able to save thousands of dollars on this renovation thanks to club members Jason Matsugu (electrician) and Ron Critchley (plumber), who put in many days of volunteer work and trade expertise. As House Director, I want to thank everyone who helped in the renovation, but especially Ron and Jason for their ongoing work and support on this project that had to be completed in a timely fashion.

## Dock Chair Report . . .

By Sean Furniss

[docks@dalhousieyachtclub.com](mailto:docks@dalhousieyachtclub.com)

[racing@dalhousieyachtclub.com](mailto:racing@dalhousieyachtclub.com)

Hello DYC,

I hope everyone is doing well. We're passing the halfway point of the off season and heading to launch. Good times.

I've taken on the role of Dock Chair, while continuing my role as Race Chair. Both positions have fairly strong committees, so I'm looking forward to acting in both roles and making a contribution.

As Dock Chair, focus will be primarily on three items:

1. Dock Assignments – most of the work is in place from last year, so changes will be where required to either accommodate new members or try to accommodate current member wishes as best as possible. Watch for a Dock Change / Boat Change form coming soon.
2. Docks of the Future – in the next 2 months we will communicate a Request for Proposals to a number of dock manufacturers to procure the best possible solution/deal we can, to ensure a solid docking platform for the future.
3. Continued Maintenance of existing docks.

As Race Chair, focus will be primarily on a number of items to solidify the upcoming racing season;

1. Racing calendar and Sailing Instructions are completed and will be posted on the website during February.
2. Development of a new fee structure and race registration page.
3. Cornucopia – we had our first meeting and there is excitement already. The band is booked. The party will be awesome! We will be inviting a number of other clubs to join us for racing in PHRF and One Design. We are hoping to have cash prizes for class winners. The team is looking for sponsors, and developing everything we need to build on the success of the past 2 years.

We're cooking up an awesome racing season for you and one of the best parties on the lake.

Please let me know if you have any questions, or if you would like to lend a hand.

Best regards,

*Sean*

## Dining & Entertainment . . .

By Genevieve Hunt

[food@dalhousieyachtclub.com](mailto:food@dalhousieyachtclub.com)

### Winter Count Down . . . .

We had a great end to January with a very successful Rabbie Burns Dinner tribute to the bard of Scotland. Thank you to all members who joined in the festivities making it the most well attended event thus far. Plans are already in the making for 2025's event.

To keep us busy until the patio opens and boats are afloat we have some fun events to look forward to and ward off the chill.

Romance is in the air on February 14th, with a fabulous menu prepared by Chef Edward and entertainment by Tin Roof that's sure to win points from your sweetheart.

March 2nd warm up with Fireside Acoustics provided by Abe Bosma.

March 9th you can test your music knowledge and enjoy some great pub grub on Music Trivia Night. Bring a team - more chance of winning a prize!

Get your green on for a fun filled St. Paddy's celebration being held on SATURDAY March 16th, welcoming back Bonnie Brae band to entertain us and a special Irish themed menu. Reserve early as this event is very popular.

Game night continues on Wednesdays 7:00 for darts and euchre.

If you'd like to suggest an idea for events or entertainment please send me an email.

Stay warm,

*Genevieve*

**Membership + Communication . . .**

by Claire Camden

[membership@dalhousieyachtclub.com](mailto:membership@dalhousieyachtclub.com)

Membership Count as of January 15, 2024 = 264

92 Full Boating, 5 Life Boating, 4 Co-owners, 17 Associate Boating,

4 Dinghy, 2 Youth Dinghy, 116 Social Members, 24 Life Non-Boating

Congratulations to our DYC Thomas Lynam, racing "Hip Hip" to first place in the South Shore 2023 Season Championship. Congratulations to our DYC Marion Markarian, racing "Chimo" to first place in the South Shore 2023 New Racer Award. Well done to you both!

Jessie MacDonald won the silent auction prize donated by DYC for a 12 months social membership, at the 7th Annual Penner Home Hardware Spotlight Gala, benefitting the Kristen French Child Advocacy Centre. This event took place on Wednesday, October 18, 2023 at John Michael's Banquet & Event Centre in Thorold.

On January 24, I was notified by Thom Hounsell that he will no longer be doing our DYC Membership cards. New electronic Membership cards will now be provided digitally through our DYC office to your cell phones.

For Boaters who have applied for Membership and are still waiting for approval, we haven't forgotten you! The reason for the delay is that we must hold off on accepting new boats until we can get all our dock assignments completed with the boats that are presently on the hard. You will be contacted in early Spring as we allocate docks and try to accommodate and welcome each and every one of you to DYC. Patti-Jo, our Vice Commodore, will be taking over my responsibilities while I am away for a few weeks.

Chris and I would like to express our deepest condolences to Patti and Paul Fagan who recently lost her loving father. We are very sorry for your loss Patti .

Looking forward to getting back to our boats in early Spring and seeing you all again soon.

Kind regards, *Claire* Didgeridoo

### Bicentennial of the Welland Canals

#### 1824 -2024

Our home port, Port Dalhousie was the northern terminus of the first three canals. The current fourth canal now terminates at Port Weller. The following map from 1945 shows the first canal traversing what is now the present day Lakeside Park and exiting to the north west. The second and third canals exited north as shown on the map. The second canal opened in 1848.

The seminal books about the canals were written by Brock Professors Drs. Styrán and Taylor. The volume covering the first three canals is:

#### **“This Great National Object” Building the Nineteenth-Century Welland Canals**

By Roberta M. Styrán and Robert R. Taylor

All their books are at the library or are for sale at the St. Catharines Museum

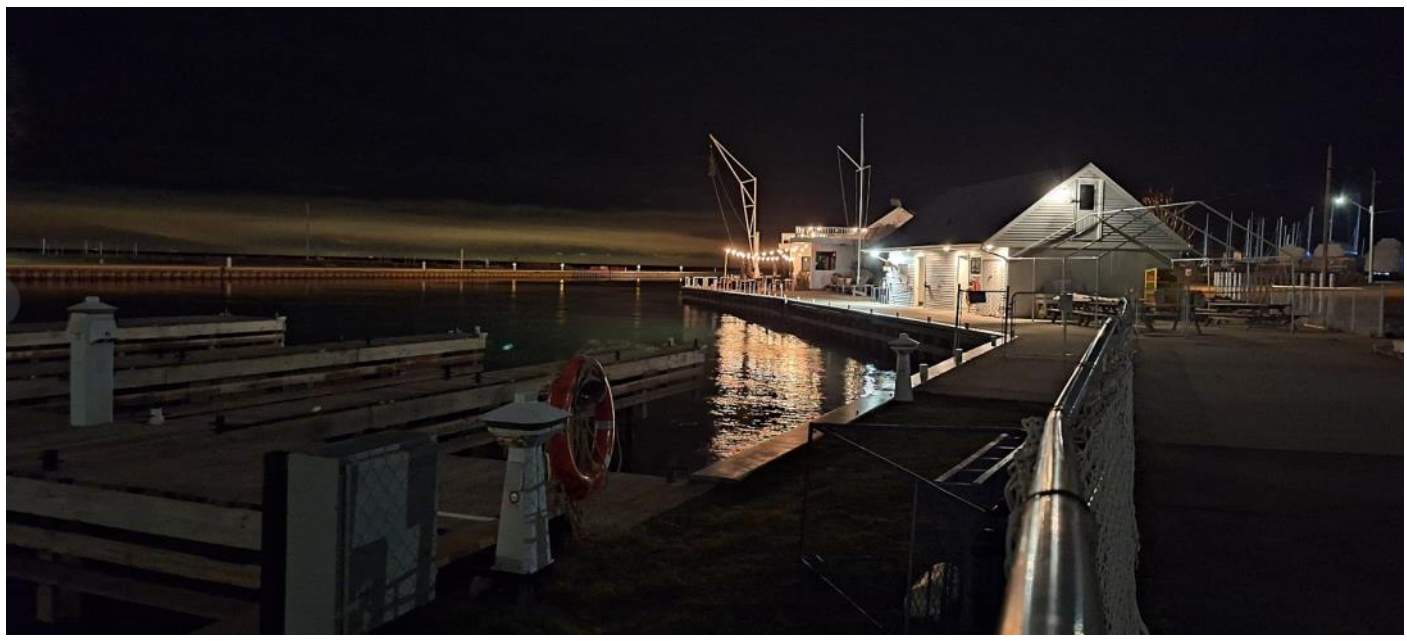

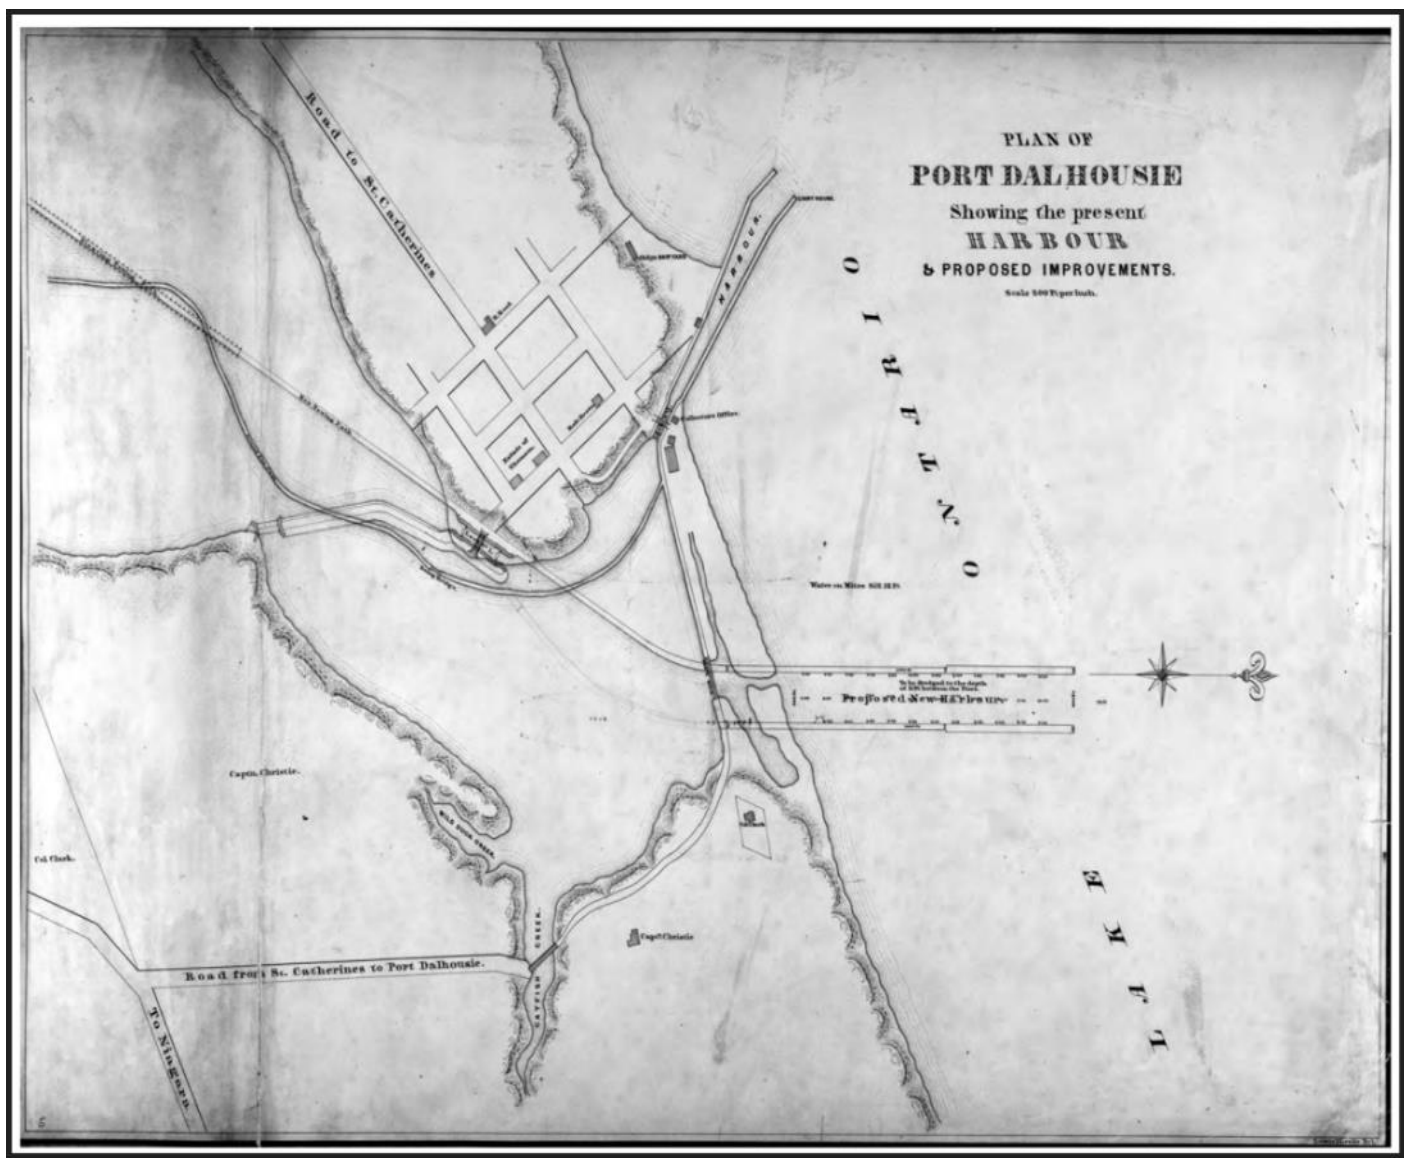

#### **The Historic Welland Canals Mapping Project**

Another great resource is the work by Colleen Beard, Brock Librarian. It is an interactive online web application that allows users to explore the now-mostly-hidden routes of the canals. You should try this site at least once.

#### **[Historic Welland Canals Mapping Project ~ TRY THIS LINK OUT](#)**

A few features include the locks, the First Canal, Second Canal Diversion and Towpath.

**Dock Invoices have been sent out with direction to send \$500 to [deposits@dalhousieyachtclub.com](mailto:deposits@dalhousieyachtclub.com) and the remainder of your 2024 dock fee should be sent in by April 1st, 2024.**

Any and all changes for docks this season should be sent to [Office@dalhousieyachtclub.com](mailto:Office@dalhousieyachtclub.com)

Next year we will be sending both Membership and Dock invoices on November 1, and the expectation is that members will pay they membership and \$500 dock deposit by December 1 and then the remainder of Dock fees by April 1. Winter Storage Invoices will be sent out on July 1 and will be due August 1. This was presented at our December 7, 2022 member information session . Our aim is to spread out member payments, one every 4 months of the year.

**Membership Fee + \$500 Dock Deposit**

**Remaining Dock Fee for the Season**

## DYC HARBOUR OFFICE & YARD MAINTENANCE SUPERVISOR NEEDED

### Position Description:

Under the direction of a Club Officer, the Harbour Office and Yard Maintenance Supervisor is responsible for the day to day operations of our harbour office, docks and yards (including dock adjacent washrooms, boat and mast storage yards) and directs other seasonal staff to help carry out the duties and responsibilities listed below.

This is a hands-on and customer-oriented position requiring good interpersonal and supervisory skills in addition to strong equipment operation and maintenance experience. The Supervisor is also expected to maintain a clean, positive and safe environment for members and staff, and oversee best practices for safe and efficient work.

The role calls for keen observational skills and reporting of situations out of the ordinary. Eg., chemical or fuel spills, property damage, keeping on eye on weather and taking precautions to avoid injuries and property damage.

This is a full-time position, with approximately 40 hours per week, from mid-April to the end of October with shoulder weeks noted to be flexible hours.

Harbour Office responsibilities include:

### High Season Priorities:

- training, scheduling and supervision of summer student staff,
- Gas and diesel fueling of boats and DYC equipment, fuel additives, pump outs,
- Management of transient boater reservations and dock assignments,
- DYC routing equipment maintenance,
- Fee collections from west side short-term transient boaters,
- Cleaning of east and west side washrooms,
- Garbage collection and disposal from east and west sides as well as yard areas.

### Shoulder Season Priorities:

- Barbeque care, maintenance and propane tank replacement,
- Yard, grounds grass and weed maintenance,
- Yard water systems maintenance,
- Dock maintenance and repair,
- Club owned vessel repairs and maintenance, and Club house repairs.

**Yard and Docks:**

Harbour Office responsibilities are the priority during the busy summer weeks, but time must be managed to include maintenance of our lawns, gardens and storage yards. During the shoulder weeks, more time is available for special projects, launch/haul out, fleet maintenance, travel lift operational support and training, dock repairs and other duties.

**Essential Skills/Qualifications:**

- strong customer service, supervisory and interpersonal skills,
- Good record keeping and problem-solving skills,
- Ability to lead others through influence and example,
- Process high levels of enthusiasm, energy and self-motivated to work unsupervised,
- Post-secondary education or equivalent experience,
- Mechanical aptitude
- Knowledge or willingness to learn marina operations and safety practices,
- Familiarity with marine operation of powerboats,
- Carpentry skills plus a general knowledge of plumbing and electrical,
- Pleasure Craft Operator Card (PCOP) + Restricted Radiotelephone Operator's Certificate (or willingness to obtain these within the first 30 days on the job),
- G drivers' license and own transportation,
- Strong team player and cognizant of DYC policies and procedures,
- Unlimited or unimpaired ability to walk, bend, stoop, climb on a ladder and work safely around water.

**Minimum Job Requirements:**

- Basic computer skills and ability to learn Point of Sale software,
- Ability to speak effectively with customers, direct reports, peers and club administrator,
- Ability to solve problems and deal with a variety of situations safely and expediently,
- Ability to interpret instructions furnished in written or oral form,
- A valid driver's license and insurance
- High school diploma or equivalent,
- CPR and AED certification preferred or ability to obtain within the first 30 days,
- Ability to swim,
- This position is required to work as scheduled and may include weekends and holiday work.
