Spring is in the Air – Time to Get Ready!

Warmer weather is finally making an appearance, and with the clocks sprung forward, we'll have more daylight hours to get ready for another great season at Dalhousie Yacht Club!

It's time to roll up your sleeves and jump into action. The docks will be going in Saturday, April 12, and we will be starting to launch the fleet the weekend after Easter. Whether it's helping on the docks, sprucing up the club, helping feed the work parties or lending a hand with fleet preparations — your efforts make all the difference!

Stay tuned for upcoming work parties and events — together we'll get DYC ready to hit the water. Let's make this season one to remember!

Let's get to work — and have some fun along the way!

With only a few weeks left of our boats on the hard, we are reminding members to please ensure your boat is unplugged when leaving the yard. It is a fire safety hazard for all of us when boats are left plugged in and unattended.

Spring Memos

Repairs underway!

Please excuse our mess in the lady's washroom in the clubhouse, as we work through tracing a leak. With the amount of snow this winter, then a big thaw, we've sprung a leak. Rest assured we will get to the bottom of it. Many thanks to Jeff Newkirk, Brian Fulton, Ron Critchley and Allan Crozier for their quick actions to mitigate some of the damage. Stay tuned for the call for help to work toward fixing the ceiling in the woman's washroom, once the leak is rectified.
