THE BREEZE

Founded 1937 - Incorporated 1945

DYC aims to keep members interested - informed - inspired & involved!

SPRING

IS IN THE AIR

>>> SECOND OF 4 FOR 2025

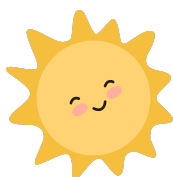

Who's ready for a great boating season ahead!

Between the quarterly issues of the Breeze we have published a "WHISP of a Breeze" to ensure you are kept apprised of the latest news and events here at DYC. The WHISP provides short and sweet updates and call-outs for volunteers etc., while the Breeze aims to deliver information on a broader scale.

Your comments and suggestions are encouraged - please email anytime so all of our voices are heard - Thank you!

E: breeze@dalhousieyachtclub.com

THURSDAY MEMBER INFO NIGHT - APRIL 3 @ 6:30PM <<<

Winter has come and gone - time for warmer days & sunshine!

We plan on sharing the plans for 2025 at Info night - please make your best effort to attend either in person, or virtually.

Our Commodore, Patti-Jo and her team of Board members have been hard at work over these past few months and there are new and exciting things you definitely want to know about!

LTS SPONSORSHIP OPPORTUNITY!

THE DALHOUSIE YACHT CLUB LEARN TO SAIL PROGRAM WANTS YOUR SPONSORSHIP! FOR \$200 YOUR NAME OR COMPANY NAME WILL ADORN THE SHIRTS & BE DISPLAYED ON OUR E-COMMUNICATIONS!

E: LTS@DALHOUSIEYACHTCLUB.COM

SAILING INTO 2025

➤➤➤ AT THE HELM: COMMODORE PATTI-JO CHAMBERS

Dear Members,

The 2025 season begins with a heartfelt loss to our membership. The club is mourning the loss of our dearly loved, Lloyd Burton, who has been a Member for over forty years. His warmth and dedication left an incredible influence on DYC. He will live on in our shared stores and in the spirit of the club, always close in our thoughts.

His presence will be especially missed aboard Brutus, Lloyd's Pride, where he spent countless hours working on and preparing the boat with care. He took the helm twice a week, leading the charge for many years on the race course with "His Girls" and then with our newest Race Committee. As we ready the club for a new season, we will move forward with Lloyd's passion in mind, knowing he would be right there with us – sleeves rolled up, getting things done, likely before any of us show up in the yard.

And so, we'll move forward together.

April is here, bringing the familiar energy of spring preparations – docks in, launch, pot lucks and the promise of another great year on the water. Let's honor Lloyd's spirit as we come together once again.

We'll look forward to seeing you in the Sunset at the DYC Spring Information Night, Thursday, April 3 at 6:30. There's much to share. Come out to meet Ruth Sparks, our new Team Member - Harbour Office + Yard Supervisor, along with her returning team members of Evan, Nick and Austin. Updates of coming events, volunteer opportunities, house happenings, docks in, prepping for launch, learn to sail, cruising, racing, Docks of the Future, and strategic planning are all on the docket. Be sure to join us, exciting times are ahead for certain!

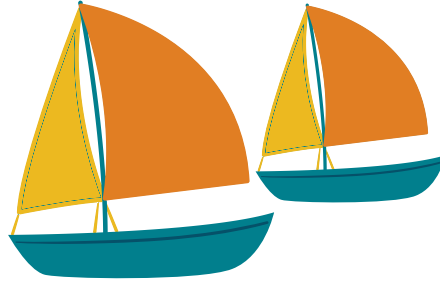

Patti-jo Chambers
Commodore

SAILING INTO 2025

LTS - MARION MARKARIAN

Registration is up and running for the DYC Learn to Sail programs 2025. So exciting that we will have three certified dinghy instructors this summer so that we can accommodate more sailors than ever. Ben Cox, from Barrie Sailing Club, is joining us as head instructor with Patrick Boulton and Owen Bungard returning as instructors. We also welcome a new instructor for adult courses - Nick Lloyd-Davis - who will be joining Team Chris (Treschak and Hunter) this summer.

We have a full slate of programs for youth on weekends in June and full day sessions in July and August. We are pleased to continue our relationship with the Navy League, having an increased number of cadets sailing with us. The Joyce Foundation also continues to support youth in the community through enrollment in our various programs.

For adults we are offering the Start Keelboat Sailing course in June, July and August as well as the Basic Cruising Course in June.

WOW!

NEW - DYC will be offering an adult dinghy course this summer! Watch the website for more information. Registration opening soon!

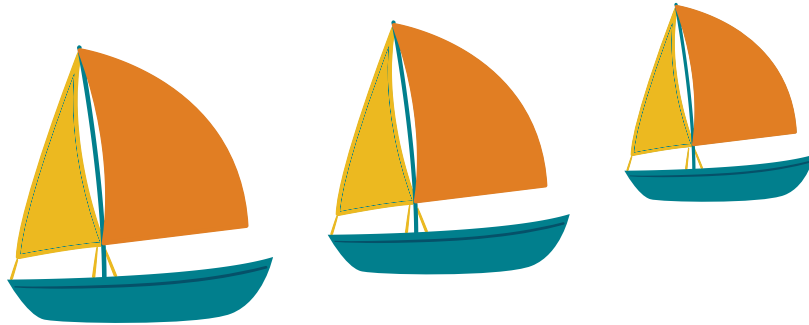

Please
Sponsor Us!

There will be a new offering of LTS shirts this summer - a long sleeve and short sleeve T. Working on the design right now but once again we will be looking for sponsors to adorn the back of the shirt. An early thank you to Jeff Newkirk and Jeff Mackie for being the first ones to step up with sponsorship this year. Same as last year the cost is \$200 to have your company name proudly displayed on the LTS shirt (even if your name isn't Jeff!). Please contact me at LTS@dalhousieyachtclub.com if you have questions or would like to sponsor.

We will also be collecting those empty cans and bottles as a fund raiser so keep up last year's good work. If anyone would like to volunteer coordinating the collection and return please let me know.

Looking forward to a busy, fun-filled summer!
Marion

FLEET - NEIL BROCKMAN

Hey there everyone! It's a pleasure to be serving on the DYC's Board of Directors for Fleet this year. For those who may not know me, I'm a fairly new member of the club. I was born and raised in Windsor, ON and have lived in St. Catharines since 2017. I spent my teens crewing on my uncle's Viking 28 sailboat, where we competitively raced across Lake Erie. Sailing runs in my family, so I decided to take sailing lessons in my early 20's. It took a while, but I was finally able to buy my very first sailboat in 2023: a 1973 C&C 25 built right in NOTL. I joined DYC right away, which was one of the best decisions I've made. After a lot of hard work since (and a MUCH needed boat name change), I'm excited to be making memories sailing BLACKBIRD around the lake with DYC.

As the new Fleet director, I'm charged with looking after DYC's fleet of club-owned vessels. Over the course of this year, I'll be working on a new comprehensive system to improve how we manage our fleet. This will include two main elements to start:

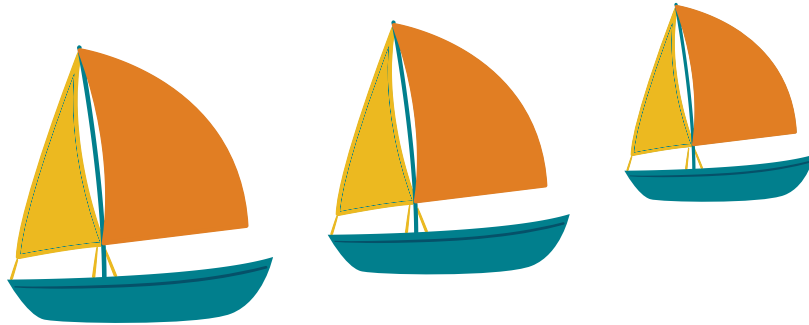

- A new DYC Fleet Inspection, Maintenance, and Repair Program. This will be a detailed manual with annual processes and procedures to make sure the fleet's condition is well documented, maintenance is completed in a timely manner, and repairs are properly completed when needed.
- Creation of a new DYC Fleet Management System. This will serve as a central database of fleet inventory data. This will help us with documenting vessel information, better understand the fleet's overall condition, and strategically plan and budget for future work when needed.

Organizing DYC's annual SailPast event also falls under the Fleet portfolio and is quickly approaching. This is an awesome event to formally kick off the boating season! Details to come, but I'm already pretty excited to see everyone out there!

Being a part of DYC has been such an amazing experience for me personally. I'm quite grateful to not only be a member of this amazing club, but also to contribute to its success as a Board member. Looking forward to another great year out on the water with you all!

Cheers,

-Neil

DOCK CHAIR - SEAN FURNISS

Hello NYC

Today, we play Legion 350 for the second half of the inaugural Across the Canal Dart Tournament. We are leading 7 to 5 so hopefully we can play consistent and come out the victor. Wednesday Darts has been a blast this year. It's really taken off. Playoffs are on Wednesday. Spectators are welcome. Euchre is in the lounge and a boat race might break out. Come and see what all the fun is about.

Wednesday Racing is just around the corner. Sailing Instructions and Registration are ready on the site. If you're thinking about racing, and have any questions, please reach out. The more boats on the course, the more fun we all have. The racers are a great bunch of peeps on the course and back at the patio. If you feel like you want to crew for someone and see what it's all about, reach out to Chris Treschak and get on the crew list.

Dock Assignments are 99% complete. There has been some movement and new boats, so please check out the member dock map. Please note, with the likelihood of new docks next season, there will be considerable shifting of boats. As always, I'll do my best to make everyone happy, and ruffle as few feathers as I can. New to boating boaters are buying bigger boats these days and the large slips and wells will allow us to meet that demand and secure more revenue.

We have submitted the dock plan for final costing to Kropf and should see numbers this coming week. Next step will be to bring the plan and cost to the membership for approval. Everything is falling into place (knock on wood). I'm hoping we can give Kropf the go ahead by June, so we can plan B dock and A dock removal in the fall. Does the work ever stop?

Docks In is on April 12th. We're one week early due to Easter. Please sign up on the volunteer page so I can assign people to the teams. I'll be reaching out to the Captains this week to ensure we have leaders in place. Crane is booked. Launch is just around the corner. Exciting times.

Sailing Season 2025 is going to be awesome!

Sean Furniss

PAST COMMODORE - LEIGH BROWN

Dear Members,

I am pleased to provide an update on our recent activities and outline the next steps in our Dalhousie Yacht Club strategic planning process, but first, what is a strategic plan? A strategic plan is a roadmap that outlines our goals, strategies, and actions to ensure the continued success and growth of Dalhousie Yacht Club (DYC). While we have already been implementing many initiatives that align with our strategic vision, this effort aims to document these actions in a cohesive plan that will guide our decisions moving forward.

Our first meeting was held on March 6, 2025. This was a productive start to our strategic planning efforts where we engaged in meaningful discussions about the identity and future of Dalhousie Yacht Club (DYC). As a start and to anchor our selves for future discussions, we agreed on our ultimate goal: ensuring DYC remains the community partner of choice in Port Dalhousie harbour, and offering a vibrant boating community for our members and guest.

As part of our initial action items, committee members were tasked with conducting a SWOT analysis, listing DYC's Strengths, Weaknesses, Opportunities and Threats. Several of our committee members have provided their insights and while there are common themes, each perspective offers unique insights that we believe are valuable. At our next meeting, the entire group will collaboratively develop a combined SWOT analysis in our next meeting.

I'll continue as Chair of the Strategic Planning Group, Patti-Jo is considered the "Owner" of the subsequent Plan (when it go into execution phase). To ensure we have successful planning I've asked Jim White and Lew Holloway if they would help guide us through the strategic planning process leveraging their extensive experience in strategic planning and facilitation acquired throughout their careers, as well as their eagerness to help. ensuring that every voice is heard and all opportunities are visible.

Lew Holloway, with extensive experience as CAO of Niagara on the Lake, General Manager of the Niagara Falls Bridge Commission, and current board member of the Peace Bridge Authority, has successfully led and implemented multiple strategic plans, emphasizing continuous review and thoughtful execution.

Jim White, Director on several nuclear projects and General Manager of technical business units, is an expert in strategic evaluations and audits, utilizing tools like Failure Mode and Effects Analysis, SWOT reviews, and Brainstorming. He emphasizes continuous reviews and inclusive facilitation of senior management meetings.

Each of our committee members brings a wealth of experience and expertise in strategic planning. I am truly excited about the opportunity to harness this collective talent to build a successful path forward for Dalhousie Yacht Club. Jim and Lew will help establish our next meetings and will guide us through future agenda items to include developing a combined SWOT analysis, reviewing and refining (if needed) our Vision and Mission statements, establishing our goals, and summarizing and finalizing the strategic plan for submission to the Board.

Members of this DYC Strategic Planning committee will be providing a brief overview of our progress at the Spring Information Night April 3, 2025, to keep the broader membership informed and engaged.

I'd like to thank our committee members for their continued dedication and contributions to this important process. We look forward to our next meeting and the collaborative efforts ahead.

Best regards,

Leigh Brown

Chair, Dalhousie Yacht Club Strategic Planning Committee

MEMBERSHIP - SANDRA CHAVE

Cruising Calendar 2025

Dalhousie Yacht Club's weekend cruising program is a fantastic way to meet your fellow members and get out on the water to visit reciprocal yacht clubs! Our cruises take place on various weekends throughout the sailing season. Reciprocity with other yacht clubs means that DYC welcomes guests from other clubs and in exchange, our members enjoy the services and hospitality of a large network of clubs around the lakes. DYC's Club Cruises are scheduled by member-volunteers who organize a flotilla of DYC boats to journey to other yacht clubs for sailing, fun and frolic. For those new to boating or cruising, this is a great way to gain cruising experience by taking advantage of safety in numbers while you get your sea legs! Along with the enjoyment of travelling by boat between clubs, a typical cruise schedule might include a group BBQ, dinner at a local restaurant, group potluck, patio dancing.

Details of events will be forthcoming. Please note that we have the National Yacht Club when the Exhibition is open. NYC runs a shuttle boat to the exhibition location. Traffic on the water is going to be a lot better than the roads in Toronto.

DYC is hoping for more members to join us on these weekends.

REGISTRATION is open to both sail and power boats and are associate or full boating members. Please check your calendars and carefully consider the cruises you sign up for, as this reduces the last-minute work involved in cancellations, multiple slip assignment changes, substitutions and many emails by dock masters and cruise directors at both DYC and our destination clubs.

For more information, please contact the Cruising Coordinator – cruising@dalhousieyachtclub.com

Saturday June 28 to Tuesday July 1 Ashbridge's Bay Yacht Club
Friday July 18 to Sunday July 20 Harbour City Yacht Club (Toronto Island)
Saturday August 1 to Monday August 4 Royal Canadian Yacht Club (Toronto Island)
Friday August 22 to Sunday August 24 National Yacht Club LETS GO to the EX

Sign up begins May 15th, 2025 on the DYC Website

Welcome Spring....

The dark days of Winter are past - well, for the most part and the next few months of NYC Social Events are planned. Our St. Paddy's Day celebration was a great success great food, fun and music by the Celtic Cadillacs had many up and dancing! Coming up soon is the Beer Pairing dinner with a fabulous menu prepared by Chef Edward of Fox Foods on April 5th. If you haven't reserved your spot do so soon to avoid disappointment.

May 24th NYC Welcomes Back Members with special recognition of our new members Social & Boating with live entertainment and special menu additions. June will see the return of Acoustic on the Patio each Thursday from June 12th through to September 18th with several guitar/vocalists to entertain you. You won't want to miss the best sunset view in Niagara! Calling all lobster lovers - plans are underway to have an East Coast Dinner at NYC - more info will follow.

We look forward to seeing you soon! Genevieve

ENTERTAINMENT - GENEVIEVE HUNT

Launch is not far off, and as we start preparing our boats for the Spring, as series of reminders for our Yards:

- UNPLUG - You may not leave your boat plugged in. Your boat may only be plugged in during the day while you are present.
- LOCK UP - your ladders and access gates.
- CLEAN UP - around your boat daily
- PACK UP - Tarps/winter covers/frames are not to be stored in the yard.
- PACK OUT - There is no garbage collection, collect and take your garbage home or take to the dumpster in A Yard. No oils or engine fluids may go in the club dumpster.

REAR COMMODORE - JEFF NEWKIRK

We are a volunteer driven club, so once you have your boat under control and ready for launch, look and ask what you can do to help around the club. Join in with the major events by registering to volunteer on the website, or look up additional volunteer/job opportunities that need assistance. Financial assistance counts too! We are looking for Sponsors to assist with the Cornucopia Regatta on Labour Day Weekend, and Sponsors for our Learn To Sail Program as well.

From my professional side, some suggestions as you get your canvas ready for a new season. If you have a leaky top, the best weatherproofing is 303 Fabric Guard. It is best applied to a clean surface, and I suggest 2 applications. Just as good, and made by 303 as well, is the Sunbrella brand weatherproofing. For polishing your vinyl windows, 210 Vinyl cleaner and polish, or IMAR Strataglass cleaner and polish, are your best products for long lasting window protection. Davis Klear to Sea is also a good basic cleaner, but doesn't have the anti-static and water shedding properties of the first two. Zippers are best cleaned with soap and water, and should not have any lubricants applied to them.

CONDOLENCES

THINKING OF YOU

LLOYD BURTON - 40 YEAR MEMBER

It is with heavy hearts that we say goodbye to Lloyd Burton, a beloved member of the Dalhousie Yacht Club for over 40 years. His dedication, skill, stories and commitment to our club will never be forgotten.

Lloyd was the heart behind Brutus, ensuring she was always ready to take the Race Committee out onto the lake. DYC will not be the same without him. His legacy will live on in the races we hold, the friendships he fostered, and the countless memories we all hold dear. Our deepest condolences go out to his family and friends during this difficult time.

Fair winds and following seas, Lloyd. You will be greatly missed!

*DYC EXTENDS OUR HEARTFELT CONDOLENCES
WE REMEMBER YOU FONDLY LLOYD.*

In Memoriam

DYC REMEMBERS

CONDOLENCES

THINKING OF YOU

JOHN WILLIAM YOUNG (1924-2025)

John, a very long-term member of Dalhousie Yacht Club, passed away peacefully on January 4th, 2025 in his 101st year. Born in 1924 in Croydon, England John enlisted in the RAF Coastal Command in 1944 and served as a navigator/gunner until the end of the war. He emigrated to Canada shortly after the war eventually ending up in Grand Bend. It was at that time that he became an avid sailor. John and his family moved to Niagara Falls and he became a member of DYC shortly thereafter. John was a fixture at the club being active in all the club's activities. John spent his final years at the Royal Henley (a short scooter drive from the club) and eventually at Linhaven LTC always keeping in contact with the club and its members.

A celebration of John's connection to DYC is planned tentatively for June.

Thank you to all the members and friends that John had and that made for lasting memories.

John's daughter: Pat Kamzol

Klaus ZIMMERMANN Obituary

It is with profound sadness that we announce the sudden passing of Klaus Zimmermann on Tuesday, February 18th, 2025. Beloved husband of Annamaria, proud father, and devoted Opa. He will be terribly missed by his brother, Harald (Kym), and his sister, Monica. Predeceased by his parents, Klaus (July 2024) and Luci (January 2005).

In honouring Klaus' wishes, private family arrangements have taken place. A Celebration of Life will take place at the Dalhousie Yacht Club.

• FULL BOATING MEMBERS

ALEX & KARA DIGENIS

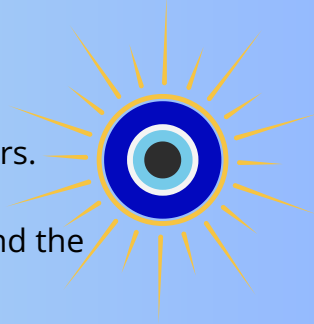

This will be our fourth year as members.
Our boat name is Mati.

The name is the greek word for eye and the symbol  wards off the "evil eye"!!

She is a Dufour 430.

We were drawn to the club because we live in St. Catharine's and Port Dalhousie is our favourite spot in the city before we got the boat. Since we got the boat we have enjoyed the location that much more !!

Kara is a Registered Nurse who retired last year as a hospital administrator with the NHS. She has retired four times .. so Alex is hoping it "sticks" this time.

Alex is a retired from car retailing.

We took a cruising course 30 years ago in Toronto.

We were members of Bluffers park yacht club. Our first boat was Catalina 27 and then an Ontario 32. We had not sailed in almost 25 years since we had our last boat.

Kara is first mate.

Alex took RYA course in England two years ago. The courses lasted 2.5 months. Hamble school of yachting was the school name.

I took the course Oct to December. The course cycle consisted of seven days in class and seven days on the boat. I had been a fair weather sailor and was exposed to some pretty hairy conditions.

We enjoy and participate in Easter Seals and sail past.

The club geography is obviously splintered. We do miss having a club house where you can see members regularly so any opportunity to volunteer or attend gatherings is a great way to meet members.

This year we chartered a boat with the hunters and the smiths on B dock.

We toured the BVIs for nine days.

It was wonderful. We came into some hairy weather on a few occasions and the team handled the situations safely and calmly.

Favourite Lake ON Places: 1000 Islands/ Toronto Island/ 50 Point

• FULL BOATING MEMBERS

JEFF & LYNN HENDERSON

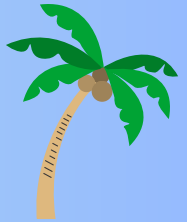

When did you join DYC?

Lynn and Jeff Henderson have been members of the club since 2021 and were both raised in St. Catharines. They spend their time between homes in Port Dalhousie and Naples, Florida.

They have their boat “Three Maries” docked in slip A37. It is named after Lynn and their two daughters, who all share the middle name Marie.

Lynn and Jeff love to travel and have great memories of their time living abroad in Singapore and London. They enjoy playing golf and exploring the many wineries and local cuisine in the Niagara Region.

They can be seen at Sunset Dining and look forward to meeting new friends at the yacht club.

Featured

• SOCIAL MEMBERS

LINDA & ANDY HILL

When did you join DYC? We first became social members in 2006 after meeting Roberta and Philip Fitzsimons.

We joined to meet new people and that we did! Our favourite times at DYC have been sitting on the pier talking to friends and all of the super friendly faces of the staff. We also enjoy the many social events, our friends cannot wait for when we tell them music trivia is coming soon to DYC.

We are so fortunate to have purchased property here in the Dominican Republic to be able to escape our Canadian winter with our two dogs, although going home to Port Dalhousie is something we heartily enjoy. Hoping the ice is off the water when we arrive home on March 24 so we can watch the rowers go by our windows usually at 5:30 am, what a sight to wake up to!

How do you like to volunteer? Helping to decorate the club is something we have enjoyed in the past.

Regards,
Linda and Andy Hill

Well here we are, Mar.21, in the Dominican Republic enjoying the sunset at the beach.

Member Volunteering

It starts with YOU! We are a self-help club and the more we can do together results in lower costs. Carrie & Tracey have put together a new volunteer opportunity portal on the website that will allow you to sign up for anything you like! Whether it's contributing food on launch day - helping to decorate the clubhouse for an event, gardening, LTS bottle returns, painting, pedestal clean-up etc. All of which you can plan and sign up for in advance!

We want to encourage you to help for many reasons - new friendships are made, offering your hand provides a sense of community AND keeps our costs down!

Our self help initiative requires a minimum of 10 volunteer hours per season.

Many hands make light work

Anything you have on your mind,
we'd love to hear about it!
You name it - we want to hear it!

We value our members and your

feedback is important!

Docks-In - April 12
Launch - April 26, 27 & May 3

Please submit your comments, concerns,
suggestions - both good and bad!

email: breeze@dalhousieyachtclub.com
